Why You Should Join

The Cebu Contractors Association, Inc is a professional society dedicated in improving the quality and welfare of the industry and promoting camaraderie among its members.

Among the CCA members are Foreign and Local Contractors, Hardware's and Suppliers, Testing Laboratories, Engineering Firms and Developers who share this commitment.

Stay on Top of New Developments

The CCA is a duly accredited CPE provider and conducts trainings and seminars, technical and product presentation, and holds construction conventions and fairs which showcase new technology and relevant innovations.

Voice in Developing Standards and Practices

Membership in the CCA's committees allows participation in the development of standards and practices and the articulation of positions that affect our industry.

National and Local Meetings

The CCA holds a monthly general membership meeting inviting national and international speakers to discuss issues and concerns affecting our industry.

The CCA belongs to the network of chapters of the PCA where projects and topics of interest are addressed, discussed and taken action.
