

RUM HUT

DINNER MENU

INTRODUCTION

Welcome to Rum Hut! Chef Nathan and front of house manager Laura are a husband and wife team who have been working side by side for over 8 years.

Our focus is on sourcing local products whenever possible; for example using Coral Bay Organics for as much produce as possible, buying fresh fish from local fisherman, and using honey made from St John honey bees.

While we strive to meet everyones dietary needs we are limited on space and our fryers do contain gluten and shellfish products. Please note this for any allergies.

Rum Hut also carries local hot sauces made from St John Brewers as well as Chef's home made Pique - a traditional Puerto Rican style hot sauce.

While we don't have a **kids menu** printed we do have some tricks up our sleeves for kids 12 and under.
