Sanders, ANRC Announce an Additional \$80 Million for Arkansas Water Project

On Wednesday, Governor Sarah Huckabee Sanders announced an additional \$83,443,495 in financial assistance for nine water and wastewater projects. The projects serve more than 271,786 Arkansans. The Arkansas Natural Resources Commission approved this funding on September 18, 2024. My administration is working hard to improve Arkansas' water systems, and the additional \$80 million in funding we're announcing today will help communities around the state," said Governor Sanders. "It is critical Arkansans have access to safe drinking water."
