

# CAPABILITY STATEMENT

## J4 LOGISTIC SERVICES, LLC.

### COMPANY OVERVIEW

**J4 Logistic Services, LLC.** is a trusted consulting and management company specializing in overseeing a fleet of dump trucks for hauling construction materials, as well as serving the janitorial and landscaping industries. Owned and operated by two military officers with nearly 40 years of combined service, J4 Logistic Services, LLC is committed to providing top-notch service to its clients. Emphasizing professionalism and safety, we ensure all materials are transported securely and on schedule, helping clients meet project deadlines.

### CORE COMPETENCIES

- **DUMP TRUCK FLEET MANAGEMENT:** Expertise in maintaining and managing dump truck fleets for peak performance and compliance.
- **ROUTE OPTIMIZATION:** Skilled in maximizing efficiency and ensuring timely deliveries through optimized transportation routes while reducing costs.
- **EFFICIENT AND THOROUGH CLEANING TECHNIQUES:** Extensive knowledge and experience in utilizing the most efficient and effective cleaning methods and techniques for commercial buildings, parks, and private properties.
- **CONSULTING SERVICES:** Provide strategic logistics consulting, including supply chain management and transportation optimization.
- **DESIGN EXPERTISE:** Expertise in creating custom landscaping solutions tailored to the unique needs and aesthetic preferences of each client, ensuring the highest level of satisfaction and enhancing the overall appearance and value of the property.
- **TECHNOLOGY INTEGRATION:** Utilize technology to enhance operations, track fleet performance, optimize routes, and provide data-driven insights for improved decision-making.

### DIFFERENTIATORS

Founded by two former military officers, J4 ensures disciplined, efficient, and detail-oriented logistics and transportation services. Our unique combination of dump truck operations and consulting services provides expert advice on logistics, planning, and project management.
