

ARDOT: Monthly Updates and Insights

January 2025

Governor Sanders, AEDC Award \$10M to 13 Arkansas Communities for Industrial Site Development

Governor Sarah Huckabee Sanders today joined the Arkansas Economic Development Commission (AEDC) to award 13 communities with \$10 million through the Arkansas Site Development Program. This funding will be used to enhance industrial sites across Arkansas, increasing their readiness for job-creating economic development projects.

Biden-Harris Administration Announces Major Progress in Rebuilding America's Bridges

Biden-Harris Administration has nearly doubled its original goal to repair or replace 10 of the nation's most economically significant bridges. 18 major bridge projects are moving forward, part of the more than 11,400 bridges across the country receiving funding to improve safety, shorten commutes, and ensure more efficient supply chains.

Setting the Stage for Growth

Will 2025 be the year that construction can turn the page and transition into a more sustainable path for growth? The Fed's change in stance and the expectation of lower rates over the next year certainly set the stage for that.
