# ARDOT: Newsletter - June 2025

You're Invited! 2 Can't-Miss Events for ARDOT DBEs!

Join us virtually on Tuesday, June 24, from 6:30 to 7:30 PM for a special Town Hall Meeting where you'll hear directly from DBE ARDOT representatives, learn how to find opportunities, and learn how DBE Supportive Services can assist your company with contracting and estimating training, capability statements, website support, business plans, marketing plans, and other services that will help your company thrive.

In addition to the virtual meeting, **mark your calendar for the ARDOT DBE in-person event on Thursday, August 21, from 8 AM to 12 PM!** This dynamic half-day session will bring together procurement experts, prime contractors, business funding sources, government agencies, and business stakeholders —all in one room. The purpose is to have you talk directly with sources that have opportunities or resources to support your company and help take it to the next level. Whether you're just getting started as an entrepreneur or ready to scale, these events are designed with you in mind. We can't wait to see you there! Be on the lookout for registration links to hit your inbox soon!

Transportation-Related Research & Workforce Development Grant Program Applications Now Available

The next application cycle for the Transportation-Related Research & Workforce Development Grant Program (TRRWDGP) is now open. The funds available through this program can only be used for the types of projects noted below. This funding cannot be used for improvements to highways. Read Full Article Here
