

# IRYNA KUZNETSOVA

## Costume Designer

Iryna combines her knowledge of character design and visual storytelling from over a decade of experience in games and animation with her expertise in costume design she gained over past two years on more than twenty projects she designed and was a part of. Her approach focuses on creating visually balanced costumes that convey narratives and embed meaning through wardrobe choices. Iryna expertly utilizes her knowledge of colors and shapes to enhance the emotional impact of characters, ensuring they resonate with viewers at first glance.
