"LIFT EVERY VOICE AND SING"

Lift every voice and sing
Til earth and heaven ring
Ring with the harmonies of Liberty;

Let our rejoicing rise
High as the list'ning skies
Let it resound loud as the rolling sea

Sing a song full of the faith that the dark
Past has taught us

Sing a song
Full of the hope that the present has brought us
Facing the rising sun
Of our new day begun
Let us march on 'til victory is won

Stony the road we trod
Bitter the chastening rod
Felt in the days when hope unborn had died;

Yet with a steady beat
Have not our weary feet
Come to the place for which our fathers sighed

We have come
Over a way that with tears have been watered
We have come, treading our path through
The blood of the slaughtered

Out from the gloomy past, 'til now we stand at last
Where the white gleam of our bright star is cast

God of our weary years, God of our silent tears
Thou who has brought us thus far on the way
Thou who has by thy might led us into the light
Keep us forever in the path, we pray

Lest our feet stray from the places, our God, where we met thee
Lest our hearts drunk with the wine of the world, we forget thee
Shadowed beneath thy hand, may we forever stand
True to our God, true to our native land.
