I understand that families need a flexible, convenient payment option that will allow you to make payments towards next year's family reunion and which will allow you to enjoy all the activities without the worry of costs. This is also why I have provided two options available to you. Therefore, rather than making a large, single payment, you may spread the cost out over time. Monthly payments should be submitted timely until your fees have been paid in full. Of course, please feel free to pay in full should you wish.

REMEMBER: the deadline for all registration fee payments is **JUNE 1, 2023**, so your final payment should be made prior to that date.
