Any individual who acquires title to a Lot upon the death of an Owner or by operation of law shall be personally liable for unpaid assessments with respect to such Lot. In any voluntary conveyance, the Grantee shall be jointly and severally liable

with the Grantor for all unpaid assessments made prior to the time of such voluntary conveyance, without prejudice to any rights the Grantee may have to recover from the Grantor the amounts paid by the Grantee therefor.

5.6 Effect of Non-Payment of Assessments; Remedies of the Association. Any assessment or installment thereof not paid within 30 days after the due date may, upon resolution of the Board of Directors, be subject to a late charge in such amount as may be established from time to time by the Board of Directors. In addition to the foregoing, every assessment shall bear interest from the date when due at a rate fixed by the Board of Directors which does not exceed the highest rate permitted by law. The Board of Directors may waive or authorize officers of the Association to waive any late charge or accrued interest. The Association may bring an action at law against the Owner personally obligated to pay the assessment, late charge, and interest, may record a claim of lien against the Lot on which the assessment is unpaid, and thereafter may foreclose the lien against the Lot on which the assessment is unpaid in like manner as foreclosure of a mortgage on real property, or pursue one or more of such remedies at the same time or successively, and there shall be added to the amount of such assessment, reasonable attorneys' fees and costs of preparing and filing the claim of lien and representing the Association in regard thereto and in any civil action brought concerning such unpaid assessments, late charges, and interest, and in the event a judgment is obtained, such judgment shall include interest at the highest rate allowed by law and reasonable attorneys' fees to be fixed by the court, together with the costs of the action, and the association shall be entitled to reasonable attorneys' fees in connection with any appeal of any such action. It shall be the legal duty and responsibility of the Association to enforce payment of all assessments made under this Declaration.

A mortgagee in possession, a receiver, a purchaser at a foreclosure sale, or a mortgagee that has acquired title by deed in lieu of foreclosure, and all persons claiming by, through or under such purchaser or mortgagee shall hold title subject to the liability and lien of any assessment becoming due after transfer of title pursuant to such

foreclosure or conveyance in lieu of foreclosure of any institutional first mortgage. Any unpaid assessment which cannot be collected as a lien against any Lot by reason of the provisions of this Section 5.7 shall be deemed either to be an assessment divided equally among, payable by, and assessed against all Lots, including the Lot as to which the foreclosure (or conveyance in lieu of foreclosure) took place, or, in the discretion of the Board of Directors, an "uncollectable" sum to be written off of the financial records of the Association. **6.3. Restrictions on Further Subdivision.** No Lot shall be further subdivided or separated by any Owner, and no portion less than all of any such Lot, nor any easement or other interest therein shall be converted or transferred by an Owner, provided that this shall not prohibit deeds of correction, deeds to resolve boundary disputes, and similar corrective instruments from being cited, delivered, and recorded.

At all other times, such containers shall be stored so that they cannot be seen from surrounding property. The Board of Directors, in its discretion, may adopt and promulgate reasonable rules and regulations relating to the size, shape, color, and type of containers permitted and the manner of storage of the same.

In the event the corrections are not made within the 30 day period set forth in the said notice, the Association may contract to have such work performed and the Owner will be charged for the invoices delivered by such contractor together with any reasonable costs to the Association. By virtue of this easement it shall be permissible for the Developer or the providing utility or service company to install and maintain facilities and equipment on The Glades East Property, to excavate for such purposes, providing the party causing such excavations restores disturbed areas to condition to which they were found. Notwithstanding anything to the contrary contained in this paragraph, no sewers, electrical lines, water lines, or other utility service lines or facilities for such utilities may be installed or relocated on The Glades East Property except as planned for and approved by the Developer, nor shall the same be located in areas upon which any residence or other building is erected. This easement shall in no way affect any other recorded easements on The Glades East Property. The rights of the Developer as provided in this paragraph shall automatically expire upon Developer selling the last Lot in The Glades East Property to a purchaser and thereupon all rights vested in the Developer in this paragraph shall be deemed to be vested in the Association.

6.23.2. Easements for drainage, installation, and maintenance of utilities and for ingress and egress are reserved as shown on the recorded plat or plats of The Glades East Property. Within these easements, no plantings, buildings, or other permanent structures may be placed or permitted to remain which would interfere with vehicular traffic or prevent maintenance of utilities. Any damage caused to pavement, driveways, drainage structures, sidewalks, other structures, or landscaping in the installation and maintenance of such utilities shall be promptly restored and repaired by the utility whose installation or maintenance caused the damage.

6.23.4. An easement shall have been deemed granted wherever necessary to those companies furnishing utilities in the Residences enabling them to place centralized meters on the exterior walls of any of the residences.

## 7. Destruction of Residence.

In the event a Residence is damaged or destroyed by fire or other casualty insurable under a property damage insurance policy, the Owner of such Residence shall, with reasonable dispatch, repair or restore such Residence substantially to the condition thereof immediately prior to the occurrence of such damage or destruction. Any such repair or restoration shall be performed in accordance with the requirements of Palm Beach County. If for any reason such Owner does not proceed with such repair or restoration with reasonable dispatch or if such work is not completed with 90 days after the occurrence of such damage or destruction (or such longer period to which the Association may agree in writing), then and in such event the Association may, in the exercise of its sole discretion, elect either to repair or restore such residence to the condition thereof immediately prior to the occurrence of such damage or destruction or, alternatively, to remove the remaining portion of the Residence, clear all debris and plant sod and landscape the Lot in a manner determined by the Association to be consistent with the landscaping plan of The Glades East Property. The owner of such Lot shall be responsible for the payment of all costs and expenses incurred by the Association pursuant to the provisions of this Article 7 and the same shall be due and payable within 30 days after written demand therefor is made by the Association. If such costs and expenses are not paid by the Owner to the Association as aforesaid, the Association shall have a lien therefor upon the Lot and Residence of such defaulting Owner. The said obligation and lien may be enforced in the same manner as in the case of non-payment of the assessments provided for in this Declaration, including without limitation the rights and remedies for enforcement provided in Article 5 hereof and the obligation of the Owner to pay interest at the highest rate allowed by law, reasonable attorneys' fees, and costs. Notwithstanding anything to the contrary contained herein, in the event any Residence is destroyed or removed by any cause, if replaced, said Residence shall be replaced by a Residence of similar size and type of the destroyed Residence, not exceeding, however, the dimensions of the previous Residence.

## 8. Mortgagee's Right of Access.

All mortgagees shall specifically have a right of access across all Common Areas for the purpose of ingress and egress to any and all Lots and Residences upon which they hold a mortgage.

## 9. Conveyances and Leases of Lots.

9.1. Provisions Relating to the Sale or Lease of Lots.  
In order to assure a community of congenial residents, and protect the value of the Residences, and to further the continuous development of The Glades East Property, the sale or

lease of Lots shall be subject to the following provisions of this section. Except as otherwise expressly provided herein, no Owner of a Lot may sell, transfer, or lease his Lot except by compliance with the following:

9.2. Prior to the sale or transfer of any Lot, the Owner of such Lot shall give written notice (the "Notice") to the Board of Directors of the proposed sale or lease. The notice shall include the name and address of the person to whom the proposed sale or lease is to be made, the purchase price in the case of a sale, the terms and conditions of the proposed sale or lease and such other information as may reasonably be required by the Board of Directors. The notice shall be accompanied by a true copy of the proposed purchase agreement or lease, as the case may be. The failure of the Owner to give such Notice and furnish such information to the Board of Directors shall constitute a breach of the Owner's obligations hereunder, and any sale or lease in contravention of this Article 9 shall, at the option of the Board, be null and void, and no right, title, interest, or estate shall pass to the intended purchaser or lessee by virtue thereof. The giving of the said Notice to the Board of Directors shall constitute an offer by the Owner to sell his Lot or to lease his Lot, as the case may be, to the Association, to its designee, or its assignee upon the same terms and conditions as contained in said Notice.

9.3. Within 30 days after its receipt of the said Notice, copy of the proposed purchase agreement or lease, and such supplemental information as it may reasonably require, the Board shall either approve or disapprove the proposed sale or lease and shall give written notification to the Owner of its approval or disapproval of the proposed sale or lease within the said 30 day period. If the Board shall fail to give written notification to the Owner of its disapproval of the proposed sale or lease within the said 30 day period, the Board shall be deemed to have approved the proposed sale or lease. The approval by the Association of the proposed sale or lease (whether such approval results from the affirmative act of the Board or the failure of the Board to notify the Owner of its disapproval within the said 30 day period) shall be stated in a certificate executed by the President or the Vice President of the Association which shall be in form for recording in the Public Records of Palm Beach County, Florida. The Board may establish a reasonable fee, reflecting the actual costs of processing an application for approval, to be paid to the Association for the issuance of such Certificate of Approval and the payment of such fee shall be a necessary condition precedent to the obligation of the Association to issue such Certificate.

9.4. In the event that the Board of Directors disapproves the sale, transfer, or lease of a Residence, it shall advise the Member proposing such transaction of the reason or reasons why

the proposed transaction was not approved. The Board of Directors may disapprove a proposed sale, transfer, or lease for reasonable cause, but in no event shall any such transaction be disapproved on the basis of race, religion, or national origin of the proposed vendee, transferee, or lessee.

#### 9.5. Additional Provisions Relating to the Lease of Lots.

9.5.1. Each and every lease agreement (herein referred to as the "Lease") between the Owner and a lessee of such Owner's Lot and Residence shall be in writing, shall provide for a term no shorter than three months, and shall provide that such Lease is and shall be subject in all respects to the terms and provisions of this Declaration and that any failure by the lessee to comply with such terms and conditions shall be a material default and breach of the Lease. Each Lease shall further provide that the same may not be modified, amended, or extended without the prior written consent of the Board of Directors, and that the Board of Directors shall have the power to terminate such Lease and to bring summary proceedings to evict the lessee (which proceedings may be brought in the name of the Lessor named in the Lease) in the event of a default by the lessee in the performance of its obligations under such Lease, including without limitation, the failure of the lessee to comply with the terms and conditions of this Declaration. Each Lease shall also provide that the lessee thereunder shall pay any and all expenses and assessments levied against the demised Lot or Residence directly to the Association if and to the extent the same are not paid when due by the Owner. Notwithstanding the obligation of the lessee to make such payments directly to the Association if and to the extent the same are not paid when due by the Owner, the Owner shall remain primarily liable for the payment of any and all such expenses and assessments until the same are paid.

9.6. Exempt Transactions. The foregoing provisions of this Article 9 shall not apply to the Developer or any designee or assignee developer, who may convey or lease Lots without complying with the provisions of this Article 9. Additionally, the foregoing provisions of this Article 9 shall not apply to a transfer to or purchase by any institutional mortgagee which acquires its title as a result of owning a mortgage upon the Lot concerned, whether the title of such Lot is acquired by deed from the mortgagor, his successors or assigns, or through foreclosure proceedings; nor shall such provisions apply to a transfer, sale, or lease by an institutional mortgagee that so acquires its title. The assignee of a mortgage originally taken by an institutional mortgagee shall enjoy the same rights, immunities, and privileges as are herein granted to such institutional mortgagee. Further, the provisions of this Article 9 shall not apply with respect to any sale or lease of a Lot by the Owner thereof to his or her spouse, adult children, adult

grandchildren, parents, grandparents, parents-in-law, or to any one or more of them. Any Owner shall be free to convey or transfer his Lot by gift, to devise his Lot by will, or to have his Lot pass by intestacy and the provisions of this article 9 shall not apply thereto; provided, however, that any person or persons who shall acquire title to a Lot or any interest therein by gift, devise, or intestacy shall be bound by, and such Lot shall be subject to, the provisions of this Article 9. In the event any Lot is acquired by the Association, its designee or its assignee, all Owners shall be deemed to have waived any right of partition which they might ever be deemed to have with respect to such Lot. As used in this Article 9, the term Lot refers to both Lot and any residence erected thereon.

10. Additions, Alterations, or Improvements.

10.1 Consent of the Board of Directors. No Owner shall make any structural addition, alteration, or improvement in or to his Residence without the prior written consent thereto of the Board of Directors. The Board shall have the obligation to answer any written request by an Owner for approval of a proposed structural addition, alteration, or improvement in such Owner's Residence. All structural additions, alterations, and improvements shall be made in compliance with all laws, rules, ordinances, and regulations of all governmental authorities having jurisdiction. An Owner making or causing to be made any structural additions, alterations, or improvements agrees, and shall be deemed to have agreed, to hold the Association and all other Owners harmless from any liability arising therefrom. Refusal of approval of plans, specifications, and plot plan, or any of them, may be based on any ground, including purely aesthetic grounds, which the Board of Directors, in its sole and uncontrolled discretion, deems sufficient. It shall be a condition precedent to the granting of the consent by the Board of Directors to the making of any structural additions, alterations, or improvements in or to any Residence that the Owner of such Residence comply with all of the requirements, restrictions, and provisions of the Restrictions for Indian Spring, including without limitation the requirement for obtaining the prior written approval by the Architectural Control Committee of ISMA of the plans and specifications for such structural addition, alteration, or improvement.

10.2. Any change in the exterior appearance of any Residence, including fences, walls, pool or patio enclosures, shall be deemed an alteration requiring approval. The Board of Directors shall have the power to promulgate such rules and regulations as it deems necessary to carry out the provisions and intent of this paragraph.

10.3. Additions, Alterations, or Improvements to Developer-Owned Lots. The foregoing restrictions of this Article 10 shall not apply to Developer-owned Lots. The Developer shall have the right, without the consent or approval of the Board of Directors or other Owners, to make alterations, additions, or improvements, structural and non-structural, interior and exterior, ordinary and extraordinary, in, to, and upon any Residence owned by it (including, without limitation, the removal of walls, floors, ceilings, and other structural portions of the improvements).

10.4. Changes in Developer-Owned Lots and Residences. Developer shall have the right without the vote or consent of the Association to (a) make alterations, additions, or improvements in, to and upon Lots and Residences owned by the Developer, whether structural or non-structural, interior or exterior, ordinary or extraordinary, and (b) change the layout or number of rooms in any Developer-owned Residences, provided that the Developer shall comply with all laws, ordinances, and regulations of all governmental authorities having jurisdiction. The provisions of this paragraph may not be added to, amended, or deleted without the prior written consent of the Developer.

#### 11. Sales Activity and Developer's Rights.

Until the Developer has completed and sold all the Lots in The Glades East Property, neither the Owners, the Association, nor any use of the Common Areas shall interfere with the completion of the contemplated improvements and the sale of Lots. The Developer (or its duly authorized agents or assigns) may make such use of the unsold Residences and the Common Areas as may facilitate such completion and sale including, but not limited to, the maintenance of sales offices for the showing of Westgate and display of signs, billboards, placards, and visual promotional materials. The Developer shall have the right to use unassigned parking spaces for prospective purchaser and such other parties as Developer determines. Developer reserves the right to complete the development of The Glades East Property, including the Common Areas, notwithstanding that a purchaser of any Lot has closed title.

#### 12. Amendments.

The process of amending this Declaration shall be as follows:

12.1. Until the date ("First Lot Sale Date") of the closing of the first conveyance of a Lot by Developer to an Owner other than Developer, any amendments may be made by Developer above, which amendment shall be signed by or on behalf of Developer and need not be joined by any other party.

12.2. After the first Lot Sale Date, this Declaration may be amended only with the consent of (i) two-thirds (2/3) of all Owners, (ii) a majority of the entire Board, and (iii) each institutional mortgagee holding a mortgage on any lot. The aforementioned consents must be in writing and shall be affixed to the amendment to this Declaration.

12.3. Notwithstanding anything to the contrary contained herein, (a) no amendment shall be effective which shall, in a material fashion, impair or prejudice the rights or priorities of any Owner, Developer, or of any institutional mortgagee affected thereby; (b) so long as Developer is the Owner of any Lot in the ordinary course of its business, Developer's written consent must be obtained and affixed to any amendments as a necessary condition precedent to the adoption of such amendment, and in the absence of such consent any purported amendment shall be ineffective, null, and void, and (c) any amendment which would affect the surface water management system, including the water management portions of the Common Areas, must have the prior approval of the South Florida Water Management District.

12.4. Notwithstanding the foregoing, so long as the Developer is entitled to elect the entire Board of Directors, Developer may amend this Declaration in order to correct a scrivener's error or other defect or omission without the consent of the Owner's Board of Directors, or institutional mortgagees, provided that such amendment does not materially and adversely affect an Owner's property rights. Any such amendment shall be signed by or on behalf of Developer alone and a copy of the amendment shall be furnished to each Owner, the Association, and all institutional mortgagees known to the Developer as soon after the recording thereof amongst the Public Records of Palm Beach County, Florida as is practicable.

12.5. Any amendment to this Declaration shall become effective upon the recordation thereof in the Public records of Palm Beach County, Florida.

13. Assignability of Rights of Developer.

The rights and privileges reserved in the Declaration in favor of the Developer are freely assignable, in whole or in part, by the Developer to any party who may be hereafter designated by the Developer to have and exercise such rights, and such rights may be exercised by the Developer, the nominee, the assignee or designee of the Developer, the successor or successors in interest of the Developer, or the successor or successors in interest of the nominees, assignees, or designees of the Developer.

#### 14. General Provisions.

14.1. Duration. 14.2. Notice. Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when personally delivered or mailed, postage paid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

14.3. Enforcement. Enforcement of these covenants and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain said violation or to recover damages, and against the land to enforce any lien created by these covenants. The failure by the Developer, the Association, or any Owner to enforce any covenant or restriction herein contained on any occasion or occasions shall in no event be deemed a waiver of the right to do so thereafter.

14.4. Severability. Invalidity of any one or more of the covenants, restrictions, or provisions of this Declaration by judgment or court order shall in no way affect any other covenant, restriction, or provision hereof and such other covenants, restrictions, and provisions shall remain in full force and effect.

14.5. Captions. The captions and table of contents used in this Declaration are inserted solely as a matter of convenience and shall not be relied upon or used in construing the effect or meaning of the text of this Declaration.

14.6. Limitations. So long as the Developer is in control of the Association and is pursuing the development of The Glades East Property, the Association shall take no action whatsoever in opposition to the development plan of The Glades East Property or to any changes proposed thereto by the Developer.

14.7. Context. Whenever the context so requires, any pronoun used herein shall be deemed to mean the corresponding masculine, feminine, or neuter form thereof and the singular form of any nouns and pronouns herein shall be deemed to mean the corresponding plural form hereof and vice versa.

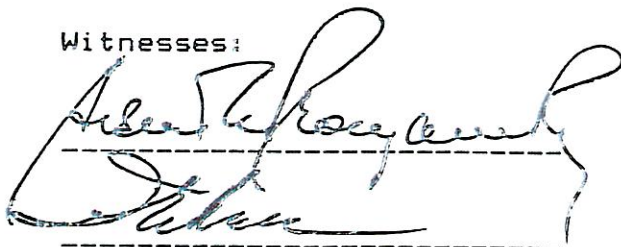

14.8. No Implied Waiver. The failure of the Developer, the Association, the Board of Directors, or any Owner to object to an Owner's or other party's failure to comply with any covenant, restriction, or provision contained herein shall in no event be deemed a waiver of any such covenant, restriction, or provision.

ARTICLES OF INCORPORATION  
OF  
GLADES EAST HOMEOWNERS' ASSOCIATION, INC.

FILED  
1908 SEP -8 PM 1:05  
SECRETARY OF STATE  
TALLAHASSEE, FLORIDA

The undersigned subscriber, desiring to form a not-for-profit under Chapter 617 of the Florida Statutes, hereby adopts the following Articles of Incorporation:

1. Name. The name of the corporation shall be Glades East Homeowners' Association, Inc. For convenience, the corporation is hereinafter referred to as the "Association".

2. Definitions. Each term used herein which is defined in the Declaration of Covenants and Restrictions for Glades East at Indian Spring (the "Declaration") recorded or to be recorded among the Public Records of Palm Beach County, Florida (the "Public Records") shall have the same meaning or definition when used in these Articles as the meaning or definition ascribed thereto in the Declaration.

3. Purposes and Powers. The objects and purposes of the Association are to own, maintain, and administer the Common Areas and other facilities of that certain residential community known as Glades East at Indian Spring ("Glades East") located within the planned unit development known as Indian Spring ("Indian Spring"), situated in Palm Beach County, Florida, pursuant to and in accordance with the Declaration, to administer and enforce the covenants and restrictions created by the Declaration; to assess, levy, collect, and disburse the assessments and charges, both general and special, provided for in the Declaration; to promote the recreation, health, safety, and welfare of the residents of the said community, and to perform and exercise all of the rights and duties of the Association under the Declaration.

3.1. The Association is not organized for profit and no part of the net earnings, if any, shall inure to the benefit of any member or individual person, firm, or corporation.

3.2. The Association shall:

3.2.1. Have the power to contract for the management of the Association and to delegate to the party with whom such contract has been entered the powers and duties of the Association except those which require approval of the Board of Directors or members.

3.2.2. Have all of the common law and statutory powers of a corporation not-for-profit which are not in conflict with the terms of these Articles and the Declaration. The Association shall also have all of the powers necessary to implement the purposes of the Association.

4. Members.

4.1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association shall be a member of the Association, provided that any such person or entity who holds such interest merely as security for the performance of an obligation shall not be a member.

4.2. Types of Voting Rights. The Association shall have two classes of voting membership.

4.2.1. Class A: Class A members shall be all those owners as defined in Section 4.1 with the exception of the Developer. Class A members shall be entitled to one vote for each Lot in which they hold the interests required for membership by Section 4.1. When more than one person holds such interest or interests in any Lot, all such persons shall be members, but the vote for such Lot shall be exercised only by that one member as shall be designated in a written instrument ("Voting Designation") executed by or on behalf of any record owner of such interest, filed with the Secretary of the Association. In no event shall more than one vote be cast with respect to any Lot. Any such Voting Designation may be executed by any one record owner of such interest in such Lot without regard to whether the person executing such Voting Designation is or is not the voting member designated therein. In the event of the filing of conflicting Voting Designations with respect to any Lot, neither voting Designation shall be effective. Under such circumstances, the filing with the Secretary of the Association of a Voting Designation, duly executed by or on behalf of all of the record owners of the entire fee interest in such Lot, designating one of them as the person entitled to cast the vote for such Lot shall be a necessary condition precedent to the right to cast such vote.

4.2.2. Class B: The only Class B member shall be the Developer. The Class B member shall be entitled to one vote for each Lot in which it holds the interest required for membership in Section 4.1; provided, however, that notwithstanding any provision contained herein to the contrary, the Developer shall have the right to elect the entire Board of Directors of the Association until 120 days after the earlier of (a) the sale and conveyance by the Developer of 90 percent of the Lots within Glades East or (B) the giving of a written notice by the Developer to the Association that the Developer waives and relinquishes its right to elect the entire Board of Directors of the Association.

4.3. Suspension of Voting Rights. The Association shall have the right to suspend any Member's right to vote for any period during which any assessment levied by the Association against such Member's Lot shall remain unpaid for more than 30 days after the date for the payment thereof. The provisions of this paragraph shall not be applied against the Developer.

4.4. Meetings of Members. The By-Laws of the Association shall provide for annual meetings of members, and may make provision for regular and special meetings of members in addition to the annual meetings. A quorum for the transaction of business at any meeting of the members shall exist if 30 percent of the total number of members in good standing shall be present or represented by proxy at the meeting, except at annual meetings, at which a quorum shall be the number of voting members in attendance at the meeting.

5. Corporate Existence. The corporation shall have perpetual existence.

6. Management by Directors. The property, business, and affairs of the Association shall be managed by a Board of Directors, which shall consist of as many persons as the Board of Directors, shall from time to time determine but not less than three nor more than nine persons. A majority of the directors in office shall constitute a quorum for the transaction of business. The By-Laws shall provide for meetings of directors, including annual meetings.

Amendment Number 2 to ARTICLES OF INCORPORATION OF  
GLADES EAST HOMEOWNERS' ASSOCIATION, INC.

The following is added to the paragraph numbered 6, as last amended, to read as follows:

The Board of Directors is authorized to establish a Reserve Fund for the benefit of the Association commencing in the fiscal year of ~~March 1, 1994 to February 28, 1995~~ <sup>December 31, 1994</sup>, for the purpose of setting aside moneys solely for non-recurrent operating expenses which are not funded within the Annual Budget for the fiscal year. The Reserve Fund is not intended for use to overcome any Annual Budget shortages, miscalculations, or other errors. The By-Laws of the Association shall be amended concurrent with the adoption of the amendment adding this paragraph to set forth the specific purposes and uses for which the Reserve Fund may be expended, which purposes and uses shall further be approved by the Association at the same meeting at which this amendment is acted upon.

Notwithstanding any inconsistent provisions in these Articles, no later than a December meeting of the Board of Directors preceding the next Fiscal Year, The Treasurer shall submit to the Board a recommended Budget for the next Fiscal Year, for which recommended Budget, the Treasurer may use professional assistance as required, and each Association member shall be provided with a copy of the recommended Budget not less than 30 days preceding said meeting. Recommendations for the application of the Reserve Fund may further be made in a separate submission at the time of the submission of the recommended Budget.

Expenditures from the Reserve Fund shall be made in accordance with the By-Laws and further only upon approval by an absolute majority of the Association called upon proper notice.

The Reserve Fund shall be dissolved as determined by the absolute majority of the membership at a meeting called upon notice, which action shall be required in the event of a Dissolution or Liquidation of the Association as provided for in paragraph 13 of these Articles.

6.1. Original Board of Directors. The names and addresses of the first Board of Directors of the Association, who shall hold office until the first annual meeting of members and until qualified successors are duly elected and have taken office, shall be as follows:

|                      |  |
|----------------------|--|
| Leonard E. Greenberg | 5160 SW 15th Avenue<br>Boynton Beach, FL 33437 |
| Alvin Kaplan         | 5160 SW 15th Avenue<br>Boynton Beach, FL 33437 |
| Albert M. Proujansky | 5160 SW 15th Avenue<br>Boynton Beach, FL 33437 |

6.2. Election of Members of Board of Directors. Except for the first Board of Directors, directors shall be elected by the members of the Association at the annual meeting of membership as provided by the By-Laws of the Association, and the By-Laws may provide for the method of voting in the election and for removal from office of directors. All directors shall be members of the Association except that such requirement shall not apply to the first Board of Directors nor to directors appointed or designated by the Developer.

6.3. Duration of Office. Persons elected to the Board of Directors shall hold office until they resign or until the next succeeding annual meeting of members, and thereafter until qualified successors are duly elected and have taken office.

6.4. Vacancies. If a director elected by the general membership shall for any reason cease to be a director, the remaining directors so elected may elect a successor to fill the vacancy for the balance of the unexpired term. The Developer shall have the unqualified right to designate a successor to fill the vacancy created if a director designated or appointed by the Developer shall resign or for any other reason cease to be director.

## 7. Officers.

7.1. Officers. The Association shall have a president, a vice president, a secretary, and a treasurer, and such other officers and assistant officers and agents as the Board of Directors may from time to time deem desirable consistent with the By-Laws of the Association.

7.2. Election and Appointment of Officers. The officers of the Association, in accordance with any applicable provisions of the By-Laws, shall be elected by the Board of Directors for terms of one year and until qualified successors are duly elected and have taken office. The By-Laws may provide for the method of voting in the election, for the removal from office of officers,

for filling vacancies, and for the duties of the officers. The president and all other officers may or may not be directors of the Association. If the office of president shall become vacant for any reason, or if the president shall be unable or unavailable to act, the vice president shall automatically succeed to the office or perform his duties and exercise his powers. If any office other than that of president shall become vacant for any reason, the Board of Directors may elect or appoint an individual to fill such vacancy. 9. Amendments. Amendments to these articles shall require the affirmative vote of a majority of the Board of Directors and the affirmative vote of the members of the Association present and voting; provided, however, that (a) no amendment shall make any change in the qualifications for membership nor the voting rights of the Members without the written approval or affirmative vote of all Members of the Association; (b) these Articles shall not be amended in any manner without the prior written consent of the Developer to such amendment for so long as the Developer is

the Owner of any Lot; and (c) these Articles shall not be amended in any manner which conflicts with the terms, covenants, and provisions contained in the Declaration. A copy of each amendment to these Articles shall be recorded among the Public Records and filed with the Florida Secretary of State.

10. Indemnification of Officers and Directors. Every director and every officer of the Association shall be indemnified by the Association against all expenses and liabilities, including reasonable attorneys' fees, reasonably incurred by or imposed upon such person in connection with any proceeding or any settlement thereof to which such person may become a party or may become involved by reason of being or having been a director or officer at the times during which the acts or omissions occurred for which such expenses are incurred, except in such cases wherein the director or officer is adjudged guilty of willful misfeasance or malfeasance in the performance of his duties; provided, that in the event of a settlement, the indemnification provided for herein shall apply only if and when the Board of Directors approves such settlement and reimbursement as being in the best interests of the Association. No director or officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee authorizing the contract or transaction.

12. Subscriber. The name and address of the subscriber to these Articles of Incorporation is:

| Name                | Address  |
