## Neighborhood Updates

**Annual Election Voting Process** - thank you to everyone that came out for the public meeting on Wednesday, 8/30, to discuss the new voting process for the annual HOA board member election. The finalized process will be a simpler mail-in ballot vote that is more common amongst other HOAs. It will be shared with the community once final details are hashed out.

**Pool** - the last day the pool will be open for the season is Sunday, September 10th. Thank you to everyone involved in keeping the pool open, clean, and running smoothly.

**Tennis/Pickleball Court** - in order to get the court up and running again, a company is in the process of being contracted for a low-grade repair (~\$2,000). This is in lieu of the ~\$25,000 high-grade repair that was originally planned on, once it was found out that the court was in worse shape than anticipated. Quotes are being explored for a full reconstruction of the court.
