IT'S TIME TO GET FUNKY!

I'm Christina a.k.a. "Funky", Zumba Instructor since September 2019. I absolutely love Zumba® — the music, the moves, the sweat, and the community! I'm licensed to teach Zumba®, Zumba® Kids + Kids Jr., Zumba® Gold, and I'm a Plate™ by Zumba® Coach.

I've got the music in me! Born into a world of music with my mother, a singer-songwriter, and my father known and loved as Funky Joe, a local DJ and pioneer in the wedding industry. I was always surrounded by music, and delved into it singing, playing the sax, guitar, and piano — I feel the music within, and it moves me!

Enter Zumba! In 2017, I attended weekly local classes — No Excuses! I've seen and felt the results in my mood, energy and weight loss. After 2 years I was completely inspired by 2 local Zumba® Instructors Mariela and Teresita who encouraged me to become a Zumba® Instructor and guided me through my beginnings.

EDUCATION + SKILLS TRAINING

I enhance my skills by completing the education offered by Zumba®:

- 🎓 Social Media Foundations
- 🎓 Africa E-Learning
- 🎓 Core
- 🎓 Jam Sessions*

* In addition to independently working on original choreographed routines and practicing Zumba provided routines — Jam Sessions occur frequently throughout the year and provide instructors with hot new choreo to bring to class.

Funky's Zumba® classes always begin with a warm-up and end with a cool-down. The four basic Zumba® rhythms of Merengue, Salsa, Reggaeton, and Cumbia, are always incorporated, along with a wide variety from around the world such as Afrobeat, Bachata, Belly, Bhangra, Brazilian Funk, Flamenco, Pop, Quebradita, Soca, Tango, and more. Carefully selected songs creates a workout with intervals of high and low intensity that feels like a party with benefits.

Previous Name(s): Carusone
Date of Birth: August 25, 1980
Reason for Request / Agency: Employment / City of Vaughan

Dear Christina RICCI:

Based solely on the name(s) and date of birth provided by you on June 22, 2023, a search of the RCMP National Repository of Criminal Records did not identify any records with the name(s) and date of birth of the applicant. This check includes a search of sex offenders who were granted a record suspension.

Positive identification that a criminal record does or does not exist at the RCMP National Repository of Criminal Records can only be confirmed by fingerprint comparison. Delays do exist between a conviction being rendered in court, and the details being accessible on the RCMP National Repository of Criminal Records. Not all offences are reported to the RCMP National Repository of Criminal Records.

Please note that a record check is only a tool in promoting public safety. A record check is not a 'stamp of approval' from a police service. A 'clear' police record is a snapshot in time and not a guarantee of safety.
