Pay it Forward with Jackie is a 501c3, Not for Profit, organization run exclusively by volunteers.

*Pay it Forward with Jackie is built on the hopes and dreams of Jackie, a childhood cancer patient, who inspires to "pay it forward".*

*Our mission is to provide relief to the under-privileged by working with local agencies, provide gift certificates and/or bill payment to qualified applicants and increase the number of people on the National Bone Marrow registry .*

Pay it Forward with Jackie Inc.

PO Box 1951, West Babylon, NY 11704

# *Pay it Forward with Jackie Inc.*

*"The person you help today  
may be the person you thank  
tomorrow."*

## How it Began

Jackie was so inspired by all the love and support her family received while she fought cancer, that she was inspired to “pay it forward”.

### More about Jackie

- Diagnosed with acute myeloid leukemia (AML) at age 3 on Christmas Eve (2006)
- Relapsed AML, with brain tumors, unrelated cord blood transplant (2008)
- Founded Pay it Forward with Jackie 09/11/2009
- Thyroid Cancer (2014)

The above is just a snap shot into Jackie’s medical profile. In addition to surviving cancer, three times, she also faces many other challenges and post-transplant complications and still requires biweekly transfusions. However, she pushes herself daily by paying it forward to others.

## What we do

Our main focus is to make the lives of struggling children and families better, with special focus on those with a childhood cancer diagnosis.

### Our Campaigns

In addition to our assistance programs, we have many Campaigns that we run throughout the year to make lives easier in challenging times. Our two largest Campaigns are below but you can view all past/present campaigns on our website.

#### Holiday Stocking Drive

Our largest campaign is our Holiday Stocking drive. We are proud to say that we have delivered over 10,000 stockings nationwide to children spending their holidays in hospitals and homeless shelters.

#### Project Stay Warm

Project Stay Warm provides hat, gloves, scarves and chapsticks to families spending the cold months in homeless shelters.

## Pay it Forward with Jackie

- 501c3, Not for Profit, Organization
- Run exclusively by volunteers
- No paid employees
- Making a difference one child at a time

## Why We Do This

Jackie was so inspired by all the love and support her family received throughout her diagnosis that she wanted to pay it forward to others.

*“The person you help today may be the person you thank tomorrow.”*

Sadly, the number of children living in shelters and hospitals are staggering but we have seen how just small acts of kindness can bring hope.

*“Thank you so much! What a blessing”*
