President's Report

Hello woodies and welcome to the last report for this year, my how the year has flown.

Once again it has been busy around the club, so firstly I would like to thank all of those people who help out around the club from the maintenance group, all of the instructors who help our new members, Dawn and Cheryl in the kitchen organising morning tea (also a big thanks to Jodie for her contributions to morning teas) to the toy group and the members who brave the cold up the back with work that often goes unnoticed, thank you your work is greatly appreciated.

I also hear that David Alexander is becoming more mobile at home and is even contemplating a visit to the club with Dave Carbery, great news and we hope to see you soon David.

Also on the mend is Ian Buntin following his knee replacement, great to hear you are up and about Ian. It's amazing the damage you can do to your joints falling off the couch after all of Geelong's preliminary final losses, no doubt they will have you lining up on the forward flank soon Ian.

Set up for Christmas sales will be on the Tuesday following the general meeting with the sales to be Wednesday, Thursday, Friday the first week and Wednesday, Thursday, Friday and Saturday of the second week. If you can help on the sales table, please put your name on the roster which is on the blackboard. The sales will be from 9.00 to 4.00 and the workshop will be open during these times but it will be cramped so be patient. I won't be there for the setup so regarding the disagreements about the decorations, see Arthur.

The Christmas lunch is on Sunday December 7th at Chasers bistro at Lords Park Raceway (Trotting track), cost is \$30 per head for the normal 2 course meal, drinks at bar prices, please let Mal know with payment.

There will be a trivia night at the clubrooms on Wednesday 10th December, 7 tables of six, organise your own tables and bring your own nibbles and drinks. Cost is \$5 per head; time is from 6pm for a 6.30 start.

Thank you all for a great year, keep on turning.

Cheers,
Steve Brereton, President
