## ***President's Report***

Hello woodies

**CWWG Getaway:** John, Tracey, Maggie and I travelled to Mount Gambier as a precursor to the annual CWWG getaway. The dates are: 14<sup>th</sup> Oct to 18<sup>th</sup> Oct. Please advise John or myself if you intend to go. John has more information if you are interested in joining group.

**Private sale:** Woodworking tools and machinery, plus odds and sods, has been made available for private sale to club members. Details of when sale will occur is yet to be decided but Information on items can be obtained from the club, or you can contact me on 0437178552. There will be no pre-sales.

**Activity Groups:** Over the last few months, attendances at our Activity Groups has increased with new members joining the club. It is very pleasing to see but because of the increased numbers, machine time has had to be limited, especially on the lathes. In the first instance, priority is to be given to our new members. However, once everyone has been assessed as competent, then machine time can be assigned equally within the group. Reminder that members can use club equipment whenever the club is open, and as long as the equipment is available.

To all our members who are not in the best of health, we wish you a speedy recovery.

Have a nice day

Cheers,

Harald

**On the road again**

**John, Tracey, Maggie and I checking out the latest form of transport which we discovered at Feast's Auto Museum on our recce to Mount Gambier.**
