

# SLOPPY'S GUIDE TO WAFFLE'S AND COFFEE

**Introduction:** Waffles and Coffee go together like best friends, which is funny because it was my main man Slothalls that first introduced me to the classic combo. Fast Forward to now and I'm making my own type of waffles called "Sloppy Waffles". I also have a range of coffee, called "Sloppy's Delight", which come in different types! In this blog I'm going to tell you about three of each and how best to enjoy them.

Sloppy's Delight:
