

Coppra Geocress Encounter:

Setting: Geocress Room 03 | Condition: JetBoots have been collected.

COPPRA:

Hey, wait a minute. Is that Penny?

The camera pans over to a close of Coppra who is standing on the other side of the room.

It is!! Over here sis!

The camera fades in and out of black for just a second while Penny is warped to be directly in front of Coppra.

Wow, fancy seeing you here! I see you've grabbed some Jet Boots. How'd you snag those?

→ I found them. (choice #1)

COPPRA:

Oh? So you mean you stole them?

→Just lucky. (choice #2)

COPPRA:

Haha, sure.

Aw span! I just thought of something! Look up there.

Camera zooms in on the health shard.

See that computer chip lookin' thing thing? That's a health shard! If you collect four or those you can increase your max health by one!

The camera focuses back on Penny and Coppra.

I was gonna grab it for myself, but I'll bet you can reach it with your Jet Boots!

Go ahead, give it a try!

Talk to Coppra after the encounter:

COPPRA:

Oh, by the way, you're doing great so far!
Mom and Pop are so proud of you. You should have seen Mom's face after
you left town. she was in PIECES!

Well anyway, keep doing your best sis! I'm looking forward to our
fight together.
