

DR. MYRTLE P. ALEXANDER FOR DC MAYOR

UPDATE FROM DR. MYRTLE P. ALEXANDER

2026 Independent Mayoral Candidate

Progress, and the Work Ahead

Catholic Charities has confirmed they will coordinate an extended arrival accommodation for my March 31, 2026 Mayoral Forum. I appreciate this step forward and the willingness to work collaboratively.

At the same time, the broader issue remains: as the only unhoused candidate in this race, I continue to face structural barriers that no other candidate encounters. These forums and debates are the interview process for the position of Mayor — and equal access is essential to a fair and democratic election.

I will continue to advocate for transparency, dignity, and fairness for all District residents.

Sincerely yours,

Dr. Myrtle P. Alexander

2026 Independent Mayoral Candidate
