Hello District 5,

I hope everyone had a fun and productive trapping season! I'm finally almost finished putting up the fur from my traplines. It was good to see some of you at our Eastern Fur Sale. Now we're entering trap prep season!

I look forward to seeing more of you at our **June 5-6 State Rendezvous** in Harrisonburg. We'll need some volunteers to help with the event. Be on the lookout for additional information to come.

Please call, text or email me if you have any questions or concerns. I'm here to represent D5 members and help in any way I can.

Please share our new website, VTA store and social media pages and let's encourage people you know to join the VTA – preferably in D5!

Tight chains,

David
