#### Membership Secretary's Report: September 2011

Hello VTA Members.

Hope everyone has survived this very hot summer! We had a very enjoyable VTA Convention at Orange County in July. Art Foltz did an amazing job! Thanks Art and everyone that helped with the event. The Trapperman's Dinner on Friday night was the best we ever attended. Everyone brought something, and not only did we have the roast pig that Steve did, but we had smoked deer meat, crabs, and clams and roasted corn and grilled vegetables. It was very good!!!! For those that didn't come, you missed a terrific meal and a well organized Convention. This will probably be my last report for the year as your membership secretary. As most of you know, I will not be running again. My wife, Diana, has decided to run in the election for the VTA Membership Secretary position. And I must say, this is not just an elected position but a very big job. It takes a lot of time and hard work to keep the membership going, and she has done the job for me the last two years. She had another call this morning from a concerned member that got an urgent!!! last chance!!! notice from the T&PC. There have been a number of members that have called us because of these notices. The only T&PC renewal notice that should be sent to us is the full page one that has the Virginia Trappers Association on it with my name, Dickie Craig, to send it back to. All others, please disregard. Hope everyone has a great trapping season. When you get your ballot for the up-coming election, please vote, and vote for Diana, for membership secretary. She will continue to do a great job for you and the VTA. So long for now, Your VTA Membership Secretary, Dickie Craig
