Dear,

On Behalf of the Board of Directors of the VTA, we would like to welcome you and thank you for joining the association.

If you are a renewing member, we thank you for your continued support. You are the backbone of the VTA.

Here are some events we hold throughout the year:

- Basic Trapper's Training Course(s) in different regions, these courses will be posted on our Facebook page, DWR and VTA website.
- Advance Trapper's Training Course once a year, region TBD prior to class date, usually the month of August.
- Coyote Trapper's Training to include snaring. This is held once a year. Region TBD prior to class date, usually the month of September.
- Fur Handling Classes are held by the different district leaders throughout the winter.
- Eastern Fur Sale (Fredericksburg) will be held on the 2nd Saturday of March.
- Western Fur Sale (Wytheville) will be held on the 3rd Saturday of March
- VTA's yearly Convention is held in June, unless we are hosting NTA/FTA.
- Each District holds their own Family Picnic at their discretion.

There are plenty of opportunities that will help a new trapper get started or a seasoned trapper to pick up a few different trapping tips and secrets to assist them in becoming better than they were the year before. The VTA is a great family of trappers, and we are here to help one another. There are plenty of chances to volunteer or share your abilities and teach trapping classes or get involved with the National Trappers Assoc (NTA) or Fur Takers of America (FTA), both are an extension of the Trapper's Family.

We invite you to visit our store at <https://virginia-trappers-association.printify.me/>. Your support through purchases of a wide selection of products, including outdoor mats, hats, shirts, hoodies, water bottles, mugs, glasses, towels, Stickers and children's wildlife puzzles—helps benefit the VTA.
