SPECIAL NOTICE

As you are aware, the recent snowstorm forced us to cancel our scheduled WSC meeting and reschedule the meeting for March 28, 2026. The meeting will be held at P4 Comfort Suites on Foxfire Drive in Waupaca, specifically in the Fairway building adjacent to the hotel.

As elected delegates or alternates, interested VVA and AVVA members, your attendance is essential. Why?

1. The Council has not met for six months, and information about the Council, VVA National, Committees, State Regional activities, and members must be shared.

Two members in particular are Thomas “Tom” Heitman, who recently passed away (see Memorium on the WSC website (vvawi.org)). There will be a viewing and celebration of life with an Honor Guard on Saturday, April 18, 2026. Frank Miueller, WSC Vice-President and President of VVA Chapter 448, had an accident which resulted in second and third-degree burns. Frank has been in the burn unit since the accident and will be there a minimum of another three weeks. Get Well cards would be appreciated individually and from your VVA Chapters.
