Charter 224 Green Bay, Charter Report - June 25, 2022

Chapter 224 has 265 members and 29 AVVA members

One of the things we support with proceeds from the Pearly Gates Veterans Benefit is our scholarship program. Five, \$1000 dollar scholarships were awarded.

Steve Deryeder donated \$10,000 to the chapter to be used a scholarship in his name. This was awarded in the sum of \$2000.00 dollars.

Many members of Chapter 224 marched or rode in the DePere parade on Memorial Day.

Veteran's event was held at Admiral Flatly, and was attended by many.

We had many help fold about three hundred flags that were flown at Allouez Cemetery.

Our funeral detail has been very active the last few months. Color guard detail has been very active also.

A small group attended flag raising ceremony in Ho-Chunk Gaming in Wittenberg. It was a very chill day but very interesting. We all learned something, and shared with the chapter. Their treated us to lunch, and thanked us again for joining them.
