

CRAB RUN!

PARADISE REGION GRUPPE

Let's go! Nothing beats a simple crab run. Join your crew of Paradise Region Gruppe Porsche fiends on a scenic group drive through the swamp. Destination: the eclectic and historic Blue Crab Cafe. Fresh blue crab is always on the menu along with local delicacies like frog legs and gator nuggets, served with a side of attitude. We'll be ordering from the full menu, which also includes "normal" items for the faint of stomach. The drive with friends is what it's about but this destination is a favorite. Let's do it.
