

Tech Session & Tour

SUNDAY
April 7, 2024
10:30 AM

plus lunch hosted by:

DEVINE CONCEPTS
AUTOMOTIVE DESIGN

Join Paradise Region Gruppe at a private event hosted by longtime club member and business owner Adam Devine. We'll learn about retrofitting Porsches with current technology at a Tech Session presentation and we'll have the chance to tour the new Devine Concepts facility. Completed project cars will be on display and raffle prizes will be awarded. A complimentary lunch will follow the tech session.

Topics will include:

PARKING SENSORS

BLIND SPOT

REAR CAMERAS

AUDIO

FRONT CAMERAS

RADAR/LASER DETECTORS

VIDEO

CUSTOMIZING NEWER PORSCHEs

CAR PLAY/ ANDROID AUTO ADD-ON

ADDING NEW TECH TO OLDER PORSCHEs: INCREASING ENJOYMENT WHILE RETAINING VALUE

If you've ever wished your car had a back-up camera or thought it would be nice to have Apple CarPlay in your older Porsche... or even considered parking sensors to help with backing in "car show style," this event is for you. We'll learn all about options to enhance the driving experience you already enjoy in your Porsche.

PRESENTED BY: ADAM DEVINE, OWNER

Adam is an accomplished instructor and speaker known for leading industry training programs. Devine Concepts has been awarded "Best in Naples" by the Naples Daily News as well as numerous industry awards in Mobile Electrics. Bring your questions, Adam can answer them!

RAFFLE PRIZES

Location: Devine Concepts

14848 Old 41 Road #9, Naples
