**RAIN OR INFERNO?  
WE DRIVE EITHER WAY!**

Who's ready to roll with the best Porsche club out there? We're crossing the Sanibel Causeway bridge again to head back to one of our very favorite destinations: MudBugs on Sanibel Island. Chef Ron is excited to have us back and show off his fresh seafood and fabulous cajun cooking. The made-to-order beignets are to-die-for and the drive there rocks.
