

Not the face mask we had in mind!!

Hello Paradise Region Groupies,

We hope you are all well and taking appropriate precautions at this testing time.

As this social isolation period drags on we thought of a safe way to drive your Porsche and have a bit of fun. We know you are frustrated not to drive !

Jenny has devised a short rally that is around the local islands with cryptic clues and random pictures to solve.

You can down load the route with the clues, the pictures and an answer sheet from our web site or from the attachments here.

The rally starts in the parking lot of Stein Mart on the corner of US 41 East and SR 951 ie SW corner of the cross roads and ends in Goodland where you can drop off your answer sheets at Jenny and Chris's house in a box by their door! There are picnic tables at 2 spots in Goodland to eat.

This rally can be done at anytime and with whom you like- subject to obeying the social distance rules.

There are two restaurants open in Goodland- Paradise Found open Friday,Saturday ,Sunday and Crabby Lady open every day except Monday. You may prefer to bring a picnic and 2 spots in Goodland are indicated in the rally route instructions.

The answer sheets need to be at the Branston's by June 1, 2020.

Hope this breaks the monotony for you- hope you enjoy it and **stay safe!**

Jenny and Chris

Marco Island was inhabited by Calusa Indians in 500 A.D. and were thought to be descendants of Mayans. They constructed huge shell mounds which is still the northernmost part of the island- Key Marco- in the mid 1500s Spanish explorers arrived and by the 1700s the Calusa were wiped out- Seminole Indians took their place.

In the late 19th century William "Bill" Collier came and founded Marco in 1870 his son built the Olde Marco Inn – which you will pass in the historic area.

The clam digging industry exploded and 2 canneries operated from 1903 until 1947 on Marco. A ferry service to the island began in 1912. 1922 Barron Collier bought huge amounts of land with a dream of making it into a major tourist destination. Due to the Great Depression his dreams were not fulfilled.

In 1938 a swing bridge was erected next to the current Goodland Bridge. The Goodland Bridge was erected in 1975.

During the 1960s the Mackle brothers of Deltona Corporation bought most of the land from Barron Collier. This marked the beginning of the island's development rush, which continued for decades. When SS.Judge Jolley bridge was built in 1969 Marco Island became a top tourist destination.
