Greetings to Our Members;

Mark your calendars for next May, Wednesday the 11<sup>th</sup> thru Saturday night May 14<sup>th</sup> with Sunday as head-home day. We have signed on with Mary of the Grand Hotel and all the information you need to reserve your room is right here in this newsletter. Much more coming with shows and activities that all up and down the strip, and it's all good wholesome family fun. We invite you to bring one or two of your family and build some great memories. AND it's not restricted to just members of our non-profit group, but *any* veteran of NMCB-74 is welcome. Naturally we hope you join, but if not, you're still welcome.

Our reunion chairman is Harold Hurst and there is so much to and see in Branson that you can get a taste of what's in store by going *HERE...*
