“The Seabees of NMCB-74, Inc”

HAPPY VETERAN’S DAY TO ALL SEABEES

FROM ALL WARS, PEACETIME AND THE COLD WAR

We Honor You. Thank you for your service.

We of the “Seabees of NMCB-74, Inc” honor all Seabee veterans of all era’s since 1942. A tip of the hat to you, on this special day.

Everyone has different memories that come to mind on this day. Mine, reminds me that I spent *this day* on the hospital ship U.S.S Sanctuary in DaNang Harbor in 1970, the only Seabee in a ward full of Marines sick with malaria. Nine days that I’ll never forget. We were handed out a little slip of paper on Nov 10th saying “The 195th Anniversary of the Marine Corps” (1970), and that little slip of paper remains in a full footlocker of memories of my eight years in the Seabees in the 1960’s and 1970’s.

All of us have personal memories of events that we struggled and persevered through during our time in one of the best branches that we could have served in, the United States Navy Seabees.

Speaking to you *all*, on behalf of the “Seabees of NMCB-74”, we wish each and every one of you a Happy Veteran’s Day. ---Dan Bower, Pres.
