A Forecast for the Agency Business
MediaPost
The last thing I foresee happening is that...The holding companies will create agencies around their largest clients, and they will promote their strongest executive-level strategists to holding company-level SWAT teams who then become responsible for developing new ideas and generating new business. These will become the drivers of innovation industrywide..Their success will determine if I am right, but I feel their success is inevitable.

Consulting Partners Program:

- Brand marketing and resource development
- Business and creative project consulting
- Provide services exchange: expertise and talent
- Participate in intellectual property (licensed) services and artistic endeavors
- Joint endeavor (vested) options

Our business development strategy places clients' and brand owners' individual interests into various participations, for the purpose of expanding the bottom line within our marketing programs. We offer the creativity to propose unique solutions and new marketing programs for project development, creating a wide range of opportunities for individuals and companies.

New market ownership opportunities:

- New intellectual properties: new brands under trademarks
- Sales: services and products
- Brand product licenses: % own license
- Other use of license: promotions
- Domains: use of copyrights and long-term ownership
- Events: use of merchandising

Licensed Partnerships:

- Use of license
- Co-brand marketing

We provide ownership opportunities on a joint ventured basis, trading shares for development or fulfillment as part of our branded team within our licensed partnerships. We have test marketed new intellectual or tangible properties to reach markets within a detailed [campaign](#).

- To bring to our client-partners, or our team, projects for research and development on a vested interest basis.
- Increase overall profit performance of your affiliated companies utilizing our business, marketing, product, and technology professionals, and the strength of the Creative Endeavors brand.
- Affiliated companies' products can be co-marketed with companion products for increased interest and demand.
- Affiliates can become Partner Companies for joint venture development, clients or Sponsors to send a message within specific industry niches.
- To receive ownership opportunities in a joint venture we develop with and for clients for increased income
