BOOKING

To confirm your wedding cake order with Gravely Family Bakery, a \$50 deposit is required. This deposit not only reserves your special day but also demonstrates our commitment to providing exceptional service. As a valued client, you'll enjoy a 20% discount on our standard booking fee compared to other local bakeries.

The deposit is fully refundable and will be applied to the final balance of your wedding cake. In the unlikely event that you're not satisfied with the design or final product, your deposit will be returned promptly.

We highly recommend securing your wedding date with a deposit as soon as possible to ensure availability. Please note that you're not required to finalize your cake design at the time of booking. Our expert team will work closely with you to create a custom design that exceeds your expectations.

A consultation meeting will be scheduled to discuss all the details, including cake design, flavors, and logistics. We look forward to being a part of your special day!

CONSULTATIONS

To ensure a personalized and exceptional experience, each of our 7 wedding cake tastings includes a complimentary 1-hour consultation appointment with our esteemed Pastry Chef and Head Cake Decorator. This dedicated time allows us to understand your unique vision and preferences.

Additional consultation appointments are available for \$75 per hour, should you require further discussions or planning.

We are committed to providing exceptional customer service and are readily available to address any questions or concerns via phone or email.

To accommodate your scheduling needs, we recommend booking Friday or Saturday consultations well in advance, ideally several months prior to your desired date. This allows us to allocate sufficient time for a comprehensive consultation.

To maximize the effectiveness of your consultation, we suggest gathering inspirational materials, such as:

- Color swatches
- Cake toppers or customized toppers
- Wedding invitations
- Monogram designs

Please bring these items to your consultation, along with any other relevant details, to ensure we capture your unique vision for your special day.
