

## Welcome back to Bite To Eat's Hot Lunch Program!

We are excited to be back and providing Evergreen staff and students with hot lunches this year. This year's program will start on October 13, 2020 and will provide a variety of homemade, delicious menu options. We ensure that the meals provided for your students are prepared fresh daily and with quality ingredients. Each Hot Lunch date will have the choice of two rotating weekly specials as well as 17 standard menu options to choose from.

Due to many changes to our delivery system and procedures, our hot lunch days have changed this year.

St. Thomas Aquinas- Monday/Wednesday

St. Marguerite- Tuesday/Thursday

St. John Paul II- Tuesday/Thursday

St. Joseph- Monday/Wednesday

Our program runs on a monthly system that allows us time to place orders for food and print all necessary labels. You can find a list of all monthly ordering deadlines on the Welcome Page on the hot lunch site, and we will send out reminders via the school newsletters of these dates as well.

To alleviate any worries you may have, we are 100% compliant with AHS Covid-19 guidelines for food services. We will be increasing the frequency of our cleaning of high touch surfaces and our food prep space. Since all meals are already individually packaged, labeled and all single use condiments and utensils placed in a brown paper bag, we are compliant with all food service requirements by AHS. In addition, we have daily screening of all staff, staff

members will be wearing masks during the food preparation and delivery to the schools, and will carry their own hand sanitizer.

Please note that all payments for Hot Lunch need to be made online. Payments can be made on the hot lunch ordering site with PayPal, or e-transfers will also be accepted. They can be sent to [info@bitetoeat.ca](mailto:info@bitetoeat.ca). Since we provide multiple schools with hot lunches, please note your child's name and school in any e-transfer comments.

If you placed an order for your student(s) from March-June 2020, there will be a credit on your account. **Everyone** will need to sign up for a new account this year before placing an order. All personal information including user ID and passwords need to be deleted on a yearly basis, as we are not allowed to collect and keep your personal information. Please ensure you are signing up with the same email address you used last year, as the system will recognize your email address and automatically place the credit on your account. If you have any issues with this, please contact us at [info@bitetoeat.ca](mailto:info@bitetoeat.ca) as we have a master list with the credit amounts listed.

Starting today, you will be able to place orders for the months of October and November. With the uncertainty in our world and to avoid the process of deleting orders and issuing credits if the school needs to close, we will only be opening orders for one month at a time. The first ordering deadline for October is **October 10, 2020**, so please place your orders ASAP! The online ordering system can be accessed through our website [www.bitetoeat.ca](http://www.bitetoeat.ca). There is a Hot Lunch Tab at the top of the screen, then scroll down to find your school. You may also access it from the Hot Lunch tab on the school website. You will need to set up a new account this year for your family, so please start by using the Access Code **BITE** to begin your order!
