

Lessons from Change Reflection Sheet

Every change initiative provides valuable lessons. Capturing these insights helps organisations avoid repeated mistakes, build on successes, and strengthen future change capability. This reflection sheet provides a structured way to record, analyse, and share what has been learned.

| 1. Purpose of This Too | ol | | | | | |
|------------------------------------------------------------------------------------|------------------------------------------------------------|--|--|--|--|--|
| \square Capture key lessons from change initiatives, both positive and negative. | | | | | | |
| \square Identify what worked well and what could be improved. | | | | | | |
| \square Support organisational learning and continuous improvement. | | | | | | |
| \square Build a knowledge base for future transformation projects. | | | | | | |
| □ Encourage honest reflection and open discussion within teams. | | | | | | |
| Tip: Reflection is mos memories are fresh. | t valuable when conducted soon after implementation, while | | | | | |
| 2. Change Overview | | | | | | |
| Field | Details | | | | | |
| Change Initiative | | | | | | |
| Sponsor | | | | | | |
| Change Manager | | | | | | |
| Implementation Period | | | | | | |
| Review Date | | | | | | |
| \square Record the key information before starting the reflection. | | | | | | |
| Tip: Include both lead | ership and team representatives in the review process. | | | | | |

Notes

3. What Worked Well

| Area | Description Why It Worked How to Replicate | | | | |
|-----------------------------------------------------------------------------------------|------------------------------------------------|--|--|--|--|
| Leadership | | | | | |
| Communication | | | | | |
| Training & Support | | | | | |
| Employee Engagement | | | | | |
| Delivery Process | | | | | |
| \square List successful strategies, tools, or approaches. | | | | | |
| Tip: Successes are learning opportunities too - replicate them widely. | | | | | |
| 4. What Did Not Work Well | | | | | |
| 4. What Dia Not Work | vveit | | | | |
| Area | Description Root Cause Recommended Action | | | | |
| | | | | | |
| Area | | | | | |
| Area Planning | Description Root Cause Recommended Action | | | | |
| Area Planning Communication | Description Root Cause Recommended Action ent | | | | |
| Area Planning Communication Stakeholder Engagem | Description Root Cause Recommended Action ent | | | | |
| Area Planning Communication Stakeholder Engagem Resource Managemen Technology / Process | Description Root Cause Recommended Action ent | | | | |
| Area Planning Communication Stakeholder Engagem Resource Managemen Technology / Process | Description Root Cause Recommended Action ent | | | | |

5. Key Insights from Stakeholders

| Stakeholder Group | Feedback Summary | Sentiment (Positive / Neutral / Negative) | Follow-Up Required | | | |
|---------------------------------------------------------------------------|---------------------|-------------------------------------------|-----------------------|--|--|--|
| Leaders | | | | | | |
| Managers | | | | | | |
| Employees | | | | | | |
| Customers | | | | | | |
| Partners | | | | | | |
| ☐ Gather perspec | tives from multi | ple levels for a balanced view. | | | | |
| Tip: Honest input | from all audiend | ces provides the richest learning. | | | | |
| 6. Change Readir Dimension | | ry Reflection eflection Rating (1–5) | | | | |
| Dimension | Re | eflection Rating (1–5) | | | | |
| Leadership Alignr | nent | | | | | |
| Communication E | Effectiveness | | | | | |
| Employee Engagement | | | | | | |
| Process Efficiency | У | | | | | |
| Training Quality | | | | | | |
| Technology Adopt | ion | | | | | |
| \square Rate and reflect | on each dimen | sion to identify improvement areas. | | | | |
| Fip: Use this section to guide post-change improvement priorities. | | | | | | |

7. Resistance and Risk Management Review

| Situation Response Taken Outcome Lesson Learned | | | | | | |
|---------------------------------------------------------------------------------|------------------------------------------------------------|--|--|--|--|--|
| ☐ Review how res | istance and risks were managed during the change. | | | | | |
| Tip: Understanding how resistance was handled improves future readiness. | | | | | | |
| 8. Impact and Be | nefit Realisation | | | | | |
| Benefit Area | Planned Benefit Actual Outcome Gap / Difference Next Steps | | | | | |
| Productivity | | | | | | |
| Cost Reduction | | | | | | |
| Employee Experience | | | | | | |
| Customer Impac | t | | | | | |
| Process Efficienc | у | | | | | |
| ☐ Compare expec | cted outcomes with actual results. | | | | | |
| Tip: Not all benefi | ts will be immediate - schedule follow-up reviews. | | | | | |
| 9. Improvement | Opportunities | | | | | |
| Category | Suggested Improvement Owner Implementation Date Status | | | | | |
| Communication | | | | | | |
| Leadership | | | | | | |
| Process | | | | | | |
| Technology | | | | | | |
| □ Document action | onable improvements to carry into future initiatives. | | | | | |
| Tip: Assign owner | ship immediately to ensure accountability. | | | | | |

10. Top Five Lessons to Share

| Lesson Description How It Will Be Applied in Future Projects | | | | |
|----------------------------------------------------------------------------------------------------------------|--|--|--|--|
| 1 | | | | |
| 2 | | | | |
| 3 | | | | |
| 4 | | | | |
| 5 | | | | |
| \square Highlight the most important takeaways for wider organisational learning. | | | | |
| Tip: Sharing lessons openly fosters a culture of continuous improvement. | | | | |
| 11. Reflection Questions for Teams | | | | |
| Question Response | | | | |
| What surprised us most during this change? | | | | |
| What could we have done differently to achieve better results? | | | | |
| How did our leadership and communication style affect outcomes? | | | | |
| What new strengths or capabilities emerged from the process? | | | | |
| What advice would we give to another team starting a similar change? | | | | |
| \square Use these questions in group debriefs or lessons-learned workshops. | | | | |
| Tip: Encourage reflection from all roles - the best insights often come from those closest to delivery. | | | | |

12. Next Steps and Knowledge Sharing

| Action | Responsible Person | Due Date | Completion Status | | |
|----------------------------------------------------------------------|-----------------------|-------------|----------------------|--|--|
| Document findings in central repository. | | | | | |
| Present lessons to leadership or PMO. | | | | | |
| Integrate improvements into future change plans. | | | | | |
| Share success stories with the wider organisation. | | | | | |
| $\hfill\Box$ Ensure lessons are captured, shared, and acted upon. | | | | | |
| Tip: A lesson not applied is a lesson wa | sted. | | | | |

How to Use This Sheet

Use this reflection sheet after each major milestone or at project closure. Review lessons with both leadership and delivery teams to embed learning into future initiatives. Combine it with the Transformation Dashboard and Change Champion Role Guide for a complete transformation learning framework.
