Foto Robot

A Robot's Story

Greetings, Earthlings. I am Foto Robot and I come from the planet Foton in the Apertura galactic system, some 7 million light years away. I am an Autonofotomobot, or "fotobot" for short. I am what you on Earth would call a photographer. There may be similar "boxes with curtains" that say they are photo booths that do what I do, but I am the only one of my kind in this universe.

I came to Earth on a photo vacation, hoping to get to Hollywood to meet all the great droids and robot celebrities, but instead crash landed in Seattle. Who knew that all the wet air in your atmosphere would cause my spacecraft systems to malfunction. I am trying to make some money to repair my spacecraft so I can get back to Foton. However, I've grown to like your planet and I would like to learn more about your species and how you interact. What better way to learn than to photograph earthlings being "humans".

I found these great photographers called f7 photography who discovered me and they have taught me all about weddings, birthdays, company events and other celebrations and how to photograph the fun you have. What I have discovered is that humans act very strange when they see a camera at celebrations, much different than us robots on planet Foton.

When humans meet me, they "fall in love" with me. When I heard that, my first response was watch your step. But when I learned the meaning of love, I then learned to feel the same way about humans. That's why I love celebrations, it allows me to make people happy and have fun and put a smile on their face. Who else can do that with complete strangers...a foto-robot can (and maybe a puppy).

So please have me at your next party and help me get back to my planet Foton.

The photo booths with personality

Themed Photo Booth Collection

For all occasions, events and celebrations.

Are you tired of the same "white box" photo booth most companies offer you? Well, Foto Robot would like to introduce you to a few of his "friends" who are different...much different than any other photo booth you have seen. Our photo booths are designed to add a higher level of fun, interaction, and provide your guests an experience that will make them remember your event above all others.

When you have one of our themed photo booths at your event, you are not only having a great photo entertainment device, you are also adding an element of décor and visual impact to your party. Our photo booths will definitely help you make a statement and stand out from the rest.

Whether you are having a winter themed event, a football party, celebrating love or ringing in the new year, our themed photo booths are certainly going to be a huge hit at your event.

Just as with the Original Foto Robot, these photo booths offer high quality images, vivid prints, friendly, professional service and a fun experience.

All our photo booths use:

- High resolution 35mm digital cameras.
- Studio Flash for crisp color and beautiful lighting.
- High Speed photo printers with vivid color prints.
- Large touch screen color monitors.
- Changing RGB LED Lights.
- Wide selection of props.
- Personalized and Customized experience.

Magnetic Personality – The Personalized Choice:

Our Round Magnetic Booth.

For years, people have asked the age-old question... Is the world Flat or Round? Well, our photo booth answers that question specifically, Round is FUN not FLAT!

Bring a wide range of “personalities” and design possibilities to your event with our Round Magnetic photo booth. With many interchangeable magnetic skins to choose from, you can now have a specific look for your round photo booth to match your theme of your party. What a great way to enhance the experience of your event and party.

Our Round Magnetic Booth. is a 34” round magnetically receptive photo booth that accepts our many choices of round photo booth skins for the front and back. We have 9 categories of designs to choose from: Sports, Holiday/ Seasonal, Colors and Textures, Pop Culture, Astronomy, Food & Drinks, Emojis, Floral, and Nature. And if there is a specific round design you would like us to make for you, whether its corporate branding, personal image, or any personalized message, we can optionally design and print that for you. Ask us for more info on that option.

Magnetic Chalk Board Photo Booth

Whether you are going for an elegant rustic look or whimsical nostalgic feel, our framed magnetic chalkboard photo booth adds a nice, classic and pleasant feel to your event.

A full functioning photo booth, the magnetic chalk board gives you the opportunity to select your style of look, whether its elegant script or whimsical signs or personalize your own message on your chalk board with #Event or your brand/names, your photo booth can say whatever you want it to say. Let us help you design a fun magnetic personality and message for your event photo entertainment!

Disco Platform Photo Booth

Vertical Style Photo Booth

A completely different idea and approach to the traditional photo booth, where you and your friends gather together and look UP at the camera instead of directly in front of you.

Imagine dancing on a disco dance floor taking a selfie with your group of friends or ever wonder what you look like on the dance floor from the view of the disco ball? The Disco Platform Photo Booth is about 2 things a) Having Fun, and b) Looking good doing it!

We bring a 48x48 multi-color lit platform that you stand on with a small group of party people. The lit "stage" serves as a multi-color psychedelic backdrop, while the camera is directly above you in a round mirror enclosure, designed specifically to see yourself before the picture.

If you want your party to be uniquely different and offer a new level of fun with photo entertainment, LOOK UP to having the Disco Platform Photo Booth at your next event or party!

Custom Photo Booth Design & Fabrication

We are always developing and introducing new themed photo booths to our standard collection which can be used for a wide range of popular event needs. However, there may be times when you or your client have a very specific idea for a photo booth and may need a custom fabricated photo booth.

We offer a custom photo booth fabrication service to help meet your needs when you need to go above and beyond or if you just want to have a completely one of a kind photo entertainment experience.

Our process starts with a consultation where we discuss your vision, marketing and design needs, the experience you want to provide to your guests and feasibility review. We will then do a preliminary graphical concept design for you to determine if you would like us to proceed with a full design.

We have adopted a fabrication process that utilizes strong yet lightweight materials (ACM) for maximum portability and design, employ fabrication efficiency while keeping costs low. We also use CNC machining to create any contour design that is appropriate for your photo booth design. We will provide a full 'turn key' solution including equipment, training, service, delivery and installation.

Give us a call at 425-868-6829 for more information on creating a custom designed and fabricated photo booth.

Personalize Your Photo Booth Experience!

You can personalize your experience so that they blend in with the theme of your event decor and branding. Being an advanced photo booth from another universe, they don't think twice about blending in. On the planet Foton, they are friendly and want every interaction and experience to cater to your needs.

Customized Prints

You can choose printing either a 4x6 print with 3 images or classic photo booth strips. In all cases, we personalize your print with your event name, date, logo/branding, print background colors, line art design, etc. We can print multiple prints per guest as well. Just let us know about your theme.

Background Choices

Backgrounds can be lots of fun. We have access to a wide variety of the more popular solid colors to match your decor as well as beautiful textured/patterned backgrounds, including red, black, silver, ivory, gold, and damask. This adds a nice level of cohesion with our photo booths and your event. Have your own? We can use that too. Lets have fun with this!

L.E.D. Lights

Lights, Camera...Action! Lets talk about lights. We can change our photo booth lights to be any color you want to match your decor. Want flashing lights? We can do that too!

Fun and Silly Props

"What's a photo booth without some PROPS? We bring a wide variety of fun, silly, and goofy props and accessories to help your guests have fun and add some personality to their photos. We also have holiday themed props for those annual holiday parties and you can always provide your own special props too.

Frequently Asked Questions

- **How do we book it?** The next step is for us to gather detailed information from you and write up a service agreement. When you return the signed document with the deposit, your date is officially reserved and the photo booth is yours.
- **What deposit do you require?** We require 50% of the total fee due with the signing of the agreement. The second 50% is due 10 days before your event. We accept cash, checks, and all major credit cards.
- **Is sales tax included?** Sales tax is not included in the price and will need to be added to the overall total. The tax rate at our studio is 10%.
- **Are there travel fees?** There are no travel fees if within 60 miles or less. There may be additional travel fees outside of the 60 mile radius. If we are traveling out of the greater western Washington area, we may request you provide a hotel room for the night.
- **Can I have the photo booth for more or less than 4 hours?** Yes, it is available for shorter events. Photo Booth is \$250 per hour with a minimum of 2 hours. If you want your photo booth to party with you longer than 4 hours, its only \$200 additional per hour.
- **Can we supply our own props?** Absolutely! If you have your own props that fit your event, we can add them to our existing table of props, which include hats, swords, mustaches, glasses, laser guns, masks, and of course, a rubber chicken!
- **What special requirements are there for the photo booth?** They requires a 110V 3-prong power outlet and a floor space no less than 6'x8'. Fits well in most corner spaces. They prefer to be inside, but can be outdoors if it is not raining or not in direct sunlight.
- **Will there be an attendant?** Yes! They are fun, professional and will get your guests having lots of fun with your Photo Booth! They will also set-up and breakdown the booth.
- **When do we get our images?** You will get the complete set of images and reprint files approx 2 weeks after your event. You can receive a DVD or downloadable zip file.
- **Do they really print unlimited prints during the event?** Yes, no limits during the contracted time. We always bring extra paper and ink, just in case.

The Creation of Our Universe...

It all started with a simple question, "Why couldn't it be a Robot?"

In 2011, the late Jennifer Guzman, Co-founder and inspiration for Foto Robot, asked that exact question one day during a photo booth planning meeting in her office. So off to the white board we went. Her vision was to create a fun and uniquely different photo booth that exudes personality. Her mission... "to create an army of Foto Robots that bring joy and happiness to people all over the world."

The first prototype of Foto Robot was designed, fabricated and tested with a few of our clients. They loved it! Then we opened his availability and Foto Robot was an absolute hit at all his events and became a popular sensation overnight. The great thing about Foto Robot is that he is the only one of his kind. Unique, different, fun, engaging and yes, the photo booth with personality was born!

As visual creative and business professionals, we use a common set of guiding principles: Create unique and different photo entertainment experiences that wow clients, provide an amazing service to make it easy to work with us, and treat all our clients and guests like friends and family building on a trusted relationship.

Foto Robot and his "friends" end up becoming like family to all who have commissioned them; and while you may think that it's just a photo booth – the moment you inject some personality, well, that changes things. Anyone who has ever been in front of Foto Robot has immediately fallen in love with him. And as for his friends? People always remember our photo booths as providing a great time with unique and memorable experiences. That is what we aim for with our photo booths: to have your guests' experience be heightened to new levels.

Jeff and Jenny were best friends, husband and wife, and copartners in everything they did in life, including their business. Since late 2015, Jeff continues to operate Foto Robot as the sole owner and he strives every day to continue Jenny's vision and mission for Foto Robot: *Provide photo booths that are fun and unique with personality, and to continue to build an army of Foto Robots who spread happiness and joy through photo entertainment to all people of earth!*
