

## JKG Group Wins Gold at 2018 Florida Print Awards

*Awards Recognize JKG Group's Printing Excellence in Multiple Categories*

**Deerfield Beach, Fla., July 23, 2018** – JKG Group today announced it has won two 2018 Florida Print Awards from the [Printing Association of Florida](#). A stunning, oversized wire-o bound book titled “Arden Community Vision & Architectural Design Guide,” printed for Freehold Communities, was named Best in the Booklets and Brochures category, earning a coveted Pink Flamingo trophy. A square spiral-bound catalog titled “Transform Your Message into an Experience with AR Technology” won a Judges Award for effectively showcasing the practical uses of augmented reality in business. JKG Group offers AR applications that optimize client marketing and promotional initiatives.

The 2018 Florida Print Awards were presented at a ceremony hosted by the Printing Association of Florida on July 20th in Orlando. At the event, JKG Group was also honored by the [Printing Industries of America](#) with an Award

of Recognition in the 2018 Premier Print Awards competition.

“2018 has been a landmark year for our company, and we’re proud of the industry recognition we’ve received,” said Adam Gittlin, president of JKG Group. “We continue to build a robust product packaging business, leveraging our extensive commercial printing and design skills as well as our dedicated packaging expertise. We’re firing on all cylinders, actively implementing our strategic plan and making notable progress on all fronts. It’s a very exciting time for us.”

In addition to the prestigious 2018 Florida Print and 2018 Premier Print Awards, JKG Group has won two First Place Excellence Awards from [PackagePrinting](#), a publication of NAPCO Media, as well as a Company of the Year Gold Award for Company Growth at the [CEO World Awards](#), and Bronze for Marketing Achievement of the Year at PR World Awards. JKG Group has also been featured this year in *Printing Impressions*, *Packaging World* and *VoyageMIA* magazines.
