Fast, Efficient, and Reliable BLS Certification at Your Fingertips

Our BLS certification program is designed for busy professionals who need quality training without sacrificing their valuable time. Our hybrid BLS online courses are perfect for:

- Healthcare providers of all types
- Emergency medical technicians and paramedics
- Dental professionals
- Physical and occupational therapists
- Medical and nursing students
- Pharmacists
- Athletic trainers
- School nurses
- Workplace safety officers
- Childcare providers
- Anyone who needs to renew a BLS certification quickly

What You'll Learn in Our BLS Course

Our BLS program covers all the essential lifesaving skills you need to earn AHA-accredited certification. This comprehensive BLS course prepares you to respond confidently when a critical emergency strikes.

Course Content

- Adult, child, and infant CPR
- Proper use of bag-mask devices
- Effective chest compressions and rescue breathing
- Early recognition of cardiac arrest
- Automated External Defibrillator (AED) operation
- Team dynamics for multi-rescuer scenarios
- Choking relief for all age groups
- Proper hand placement and compression depth
- High-quality CPR performance standards
- Critical thinking and decision-making in emergencies

We Also Offer BLS Renewal Online

Healthcare professionals must update their BLS skills every two years.

Our BLS renewal course uses the same efficient two-step process to get you recertified. Complete the HeartCode BLS online course, then schedule your 30-minute skills verification using our CPR Cart.

BLS CPR renewal is quick and convenient with our 24/7 automated stations. Skip the full-day classroom refresher! Our BLS recert online process ensures you maintain critical lifesaving credentials without disrupting your busy schedule.
