

OLÉ BAR & GRILL
13 SEPTEMBER 2025

A Day for Heroes

Detective Jonathan Diller was a beloved husband, father, son, and dedicated NYPD officer whose life was tragically cut short in the line of duty in March 2024. He is remembered for his unwavering bravery, his devotion to protecting others, and the love he shared with his family and community.

On this special day, we also pay tribute to the courage, dedication, and sacrifice of all first responders who serve selflessly each and every day.

Enjoy a buffet-style meal, with proceeds benefiting a local non-profit organization that supports first responders and their families.

All are welcome to gather, remember, and celebrate together.
