From the Director of Missions
Dr. Danny Pickens

Our recent trip to Peru was very productive. We had the opportunity to meet with two groups of Baptist pastors from different regions in the country. While both groups were in need of assistance, one was in greater need than the other. We will be in contact with them soon to discuss how we can best help. They have expressed interest in receiving support through marriage and pastor's conferences, as well as in starting a new mission and building a church in an area where there is currently none.

As summer approaches and Bible schools begin, please don't forget to inform us about yours. We would be happy to advertise it for you. Additionally, if you have any materials or decorations that you would like to pass on, please let us know.

We have some new pastors in our community. Reverend David Doyle has taken over at Southside Baptist, and Reverend Aaron Little is now at FBC Hawkins. We hope to arrange a pastor's lunch soon so that they can meet you and vice versa.

I am still interim pastor at Dean Baptist, but I may need to take occasional time off. If you need any assistance for your church, please don't hesitate to contact me. I am grateful for the work that our churches do for the Kingdom!

Blessings,
Dr. Danny
