PASTOR'S TESTMONY

Dear Sir,

Greetings to you in the name of our lord and saieur Jesus Christ. My name is M. Elisabeth, W/o. (Late) Pastor Yohan, who went to be with the lord on 02.05.2015. I was born and brought up from a idol worshipping family from my childhood I was taken to the different temples for sacrifices and offerings when I was raised up to the age of my wedding my parents choosed a man who was also from Hindu background family. He used to drink alcohol and make trouble for me. One day my husband was fully drinked and coming from the shop, he hear the loud voice of the gospel coming from a roadside gospel outreach meeting, when my husband went there he was touched by gospel and Jesus has spoken to my husband and change my husband's life completely, at the last my husband surrounded his life to ministry of the gospel while we both were serving the living God, god has established our work and used greatly for many people to be saved from their wordly nature. In this situation we both were trained up in Bethel Bible College for theological studies. God was so good and he developed our ministry well. God has done many great things in our ministry. But suddenly my husband got severe sickness and died. On that day I have decided to serve the lord even alone. So please kindly pray for me. I have a daughter called Lavanya, Aged 23 years, please pray for her future, that she may get good husband and serve the lord. I am so grateful and thankful to you all who stood with me in my troubles, thank you for your great help in my needs. My heart full gratitude's to our president Dr. S. Jaya Kumar and his family and all the Co-workers who prayed for me in my distress thank you for your prayer and continues support which is very great help in our ministry, I want to serve the Lord in more villages and bring them to the knowledge of the gospel and to the wisdom of Jesus Christ. Please continuously pray for me and my daughter and for the church ministry. Our prayers are with you.

Thanking You Sir,

Yours obediently
