**PASTOR'S TESTIMONY**

Dear Sir,

I praise God for this opportunity to share my testimony to you all first of all I greet you in the name of our Lord and savior Jesus Christ. I was born and brought up in a nominal Christian family, from my childhood I was lived according to the worldly costumes and nature. I used to drink alcoholic drinks and deceive my parents and disobey all the elders and aged. Though I was regular to attend the church activities and doing all the richness in the year of 1999 I have got severe stomach pain and admitted in the hospital, then doctors tested me and diagnosed that all my stomach got poisoned and got infection, then doctors said within 5 days you will die. Then on the death bed I have decided in my heart and prayed Lord please kindly heal me that I will serve your. If I die in this situation and sickness, I will directly go to the hell. Then the merciful God listened my cry from heaven and helped in that same night the angel of the Lord touched me and gave me new life. Then in the next day morning doctors tested again and got wondered, and they said nothing is wrong with me, your god has healed you completely, I praised God for what he has done for me in my life. Then I have surrounded my life to the service of the Lord from 2001. I am living according to the will of god and word of God. Then in the year of 2004 the lord called me for his fulltime ministry and serving the Lord in the village called Veerampalem, where we had good believers and church ministry. Thank you for your co-operation prayers please kindly pray that all the needs of the ministry may solve by the grace of God I want to preach the Gospel in all our surrounded villages and make a good flock for his kingdom. We need your prayers and support.

Thanking You Sir,

Yours obediently
