Dear Sir,

Greetings to you in the name of our Lord and savior Jesus Christ. My name is Pastor B. Israel. I was born and brought up from a Idol worshipping family. I am the eighth child for my parents, because I was younger in my family my parents gave me much freedom in all my doings and they have loved me very much. So I have taken that opportunity to use bad things and I was became very worst in the society. I became very rude and violent in my village. Unknowingly my parents put my name as Israel though they were Idol worshippers and followers of page God's at the age of my wedding my parents want to get for me a girl from my relatives family. But my relatives rejected me because I am harmful and worst. That was my life and rejected by family and relatives and also by the society. After few months I have married a girl and blessed with children.

My life was going on like that only one day my youngest daughter came to me and asked permission that she want to go to the church. Then I have said to her we must not go to church. Because Jesus is not our god he is foreign god. We have numerous God's in our nation like that I have opposed her to not to go church. That year it self I have went to very famous God and offered my valuable things and came to my home. But no change has taken place in my heart. I used to drink much wine and alcohol and behaving badly and lost my character. Finally one night while I was sleeping at 03:30 a.m. God has appear to me in the form of my local political leader and said " my son how long you will trouble me and hurt me. Then I said him who are you why do you come to me? Then in the early morning I went to a local pastor and said to him about this matter. Then pastor said that was the Lord. Still I continued my bad habits and alcoholic nature. On 31.12.2004 I have went to local church for watch night prayer by fully drunkard, but pastor un knowingly he invited me for cake cutting, same night Jesus Christ again appeared and called me for his ministry. Finally I obeyed call of my Lord and started to go to the church. By the grace of God in the year 2006 I have obeyed my Lord in Baptism and became a faithful believer and growing spiritedly while these things were happening all of a sudden I have got paralysis and became more sick finally doctor's recognized problem in my backbone and they have operated for my backbone by the grace of God I got healed.

Then in the year 2016 I have joined in Bethel Bible College for the logical studies and graduated from BBC in 2017. Then I moved to village called Pathuru and started church ministry. By the spiritual guidance of Dr. S. Jaya Kumar Pastor our ministry is going on well. On 17.10.2017 I god heart attack and hospitalized by the grace of God my operation was successes. I want to live as a living witness for Jesus who loved me and saved me I need your prayers.

Thanking You Sir,

Yours obediently
