PASTOR'S TESTMONY

Dear Sir,

Greetings in the name of our Lord Jesus Christ. I was from Hindu family. And I faced many traditions and differences among my family.

After my marriage I am not have children two years. I went for all Religious worships to get a child or for children. But am very depressed in this way.

One day I thought, when I go to church I get children so, I went to church and prayed god to bless me with children and also I converted as a Christian and accepted Jesus as my savior. Now I became a spiritual one for Christ to live and God Blessed me with child. Now my daughter and my family happy in Jesus.

Sir, I decided to do ministry at that time I know about Bethel Ministries bible College. I went and trained in the year 2015.

I am very live to god and to all of Bethel Ministries, who has educated me with the word and send me to do the Gospel Work.

Thanking You Sir,

Yours obediently
