Dear Sir,

Greetings to you in the name of our Lord and savior Jesus Christ, thank you for your valuable prayers and support so far in the ministry. It is my privilege to share my personal testimony how God has saved my life.

My name is N. Satyam I was born and brought up from a strong Idol worshipping family. From several years our four fathers used to worship Idols and they used to give sacrifices to the Idols. In those days there were no Christians in our entire village because nobody was there to share the gospel and proclaim the love of God. Our four fathers born in the Idol worshipping and they died as Idol worshipers. So my parents were also continued their four fathers culture life wise my family was living in the curse.

By the grace of God and of his eternal plan one day some Christians were visited our village and they have given some gospel tracts and new testament bibles to our entire village and share the love of living God and they have prayer for several sick people. And they have preached from the Bible verse of Ecclesiastes 11:9. So God's word touched my heart and I have asked them to explain clearly. While they have given clear explanation about God's word. God had opened my eyes. And the Holy Spirit God spoken to me that I was a sinner and need God's mercy to escape hell fire. After words I have accepted Jesus Christ as my personal savior and Lord not only me but my entire family obeyed the Lord call and we all got saved by the blood of Jesus Christ. In the year of 1990 I have obeyed our Lord in the Baptism. In the year 1991 our Loving God has called me for the ministry. But several years I have served the Lord as believer and then I have come for fulltime ministry. In the year 2005 I have taken biblical training from Bethel Bible College and graduated from BBC and now I am serving the Lord in several places. So please pray for my ministry and need in the ministry. Through the spiritual guidance of Dr. Jaya Kumar Pastor we are moving forward in the gospel field. So please pray for our ministry we are praying for you.

Thanking You Sir,

Yours obediently
