PASTOR'S TESTIMONY

Dear Sir,

Greetings to you all in the name of our Lord and savior Jesus Christ. It is my privilege to share my testimony to you all. First of all I thank God for this opportunity and next to Dr. S. Jaya Kumar garu, who is leading us and guiding us in all our spiritual and ministerial aspects. I was born and brought up in nominal Christian family for name sake we used to go to church and its activities my father wants to make me as a catholic preacher. But I disobeyed my father words and living in my selfish and wordly nature while the thing were going on like that my father passed away. So things became worst and we have faced problem in mental aspects and financial areas. In those day I was completed my M.A.Bed., Education then I was thinking to get job as a teacher and statel my family in the safe mode. In order to get that Job I have approached Jesus Christ. Then I was submitted my life to Jesus Christ and obeyed my Lord in Baptism through some of God's servants guidance.

In the year 2014 my life was turned upside down, while I was preparing for DSC exams to get teacher job. God has spoken to me through the word of God from Haggai 1:4 that is it time for you, oye, to well in your ceiled houses, and this house lie waste? While my family and myself was eagerly waiting for a wordly job and thinking earthly things. I was left my education and job and obeyed the call of my God.

In the year 2017 I was joined in the Bethel Bible College and got trained in theological studies, by the God's grace and his mercy I have graduate from that institute and started church ministers in my home town. By the grace of God we are doing well God is blessing our ministry though your prayers and blessings. We are also praying for you all please continue your prayers about Indian Ministries we have lot of challenges in the mission field we need to get the Land and church building for our ministry. We want to see the church in every Indian village and led maximum people for Christ and fulfill God's command.

Thank you so much for your valuable time.

Thanking You Sir,

Yours obediently
