

# APRIL 2019

## PARENT NEWSLETTER

### NEW SCHOOL AGE GROUPS AS OF APRIL 1, 2019

As communicated earlier this week the winter session of the Evergreen Club wrapped up March 29th. Because of forest school educator Amy being off for an indefinite leave of absence we have had to suspend Evergreen temporarily. Starting next Monday the three school age groups will be divided up based on age with the youngest as **Adventurers** with Carolyn, the oldest with Kris and Paulette as **Dynamos** and the middle group with Riley as **Superstars**.

### SOME REMINDERS:

A new session of Musical Minds is underway and many families have not paid yet so please remember it for Megan by next Thursday.

Parents of Toddler children still wearing diapers are reminded to supply a package of wipes at the beginning of each month.

Upon pick up if we are out in the playground please do not come through the classroom with your dirty shoes to the back door. Take them off, or use the door through the hall opposite the front door.

A reminder that it is time for mud/splash suits or rain pants and rain jackets as we go outside in all weather. Please take home winter wear, and check the lost and found box in the foyer for any items that may belong to you.

Girls wearing dresses need to wear tights or shorts underneath please.

From 7:10-7:35am and 2:00-2:20pm please do not park along the front of the building as we must allow room for the two busses.

Please call or email by 9:00am if your child(ren) will be absent for the day. If they are sick please provide a brief description of their symptoms for our records.

Our automatic door opener button on the outside of the building has broken and will be replaced as soon as possible. A reminder to please encourage your child to not press or bang on these buttons as they are for those who use a wheelchair and are unable to open a door. What a wonderful teaching moment for your child.

Until next time, *Mary Ellen*
