

# APRIL 2021

## PARENT NEWSLETTER

### EASTER TRUNK AND HUNT ALL SET FOR FRIDAY (raindate Saturday, April 3, 2021)

We have had 16 families sign up for to park and give out treats, but there is still lots of space left if you'd like to join the fun. If you are planning to come walk the Lane only with your family it would be great to know that too, so I can give our treat givers accurate numbers. See you all for 10am on Friday. The Easter Bunny will be present for the festivities too, and for photos.

### SOME REMINDERS:

A new session of Musical Minds is underway and many families have not paid yet so please remember it for Megan by next Thursday.

Parents of Toddler children still wearing diapers are reminded to supply a package of wipes at the beginning of each month.

Upon pick up if we are out in the playground please do not come through the classroom with your dirty shoes to the back door. Take them off, or use the door through the hall opposite the front door.

A reminder that it is time for mud/splash suits or rain pants and rain jackets as we go outside in all weather. Please take home winter wear, and check the lost and found box in the foyer for any items that may belong to you.

Girls wearing dresses need to wear tights or shorts underneath please.

From 7:10-7:35am and 2:00-2:20pm please do not park along the front of the building as we must allow room for the two busses.

Please call or email by 9:00am if your child(ren) will be absent for the day. If they are sick please provide a brief description of their symptoms for our records.

Our automatic door opener buttons inside and out are still getting a pounding from some children when they enter or depart. A gentle reminder to please encourage your child to not press or bang on these buttons as they are only for those who use a wheelchair and are unable to open a door. What a wonderful teaching moment for you to have with your children as you talk about people with differing abilities.

Until next time, *Mary Ellen*
