

COVID-19 Daily Checklist

Please consider these questions for yourself and those you care for each day before leaving home.

All Nova Scotians are strongly encouraged to seek COVID-19 testing even if they don't have symptoms, particularly if they have a large number of close contacts. To book a COVID-19 test, visit <https://covid-self-assessment.novascotia.ca/>. If you are unable to access the online tool, call 811. Stay informed. For the most recent information, changes and restrictions, visit novascotia.ca/coronavirus.

1

Are you feeling unwell or do you have new or worsening COVID-19 symptoms?

If yes, stay home or go home immediately and avoid public spaces including work, school/child care, and shopping. **Book a COVID-19 test.** You and your family are required to isolate while awaiting your test result.

Common symptoms of COVID-19 include:

Fever
(i.e. chills/sweats)

Cough

Sore throat

Runny nose/
nasal congestion

Headache

Shortness of breath

2

Have you visited a COVID-19 exposure site?

Visit <https://www.nshealth.ca/covid-exposures> for a list of COVID-19 exposure sites and public health requirements. You should be tested for COVID-19 and you may also need to isolate. Follow the directions online for isolation requirements.

3

Are you or anyone in your household currently required to self-isolate due to travel?

If yes, and the travel is not essential, everyone in your home is required to self-isolate for 14 days. For more information on isolation requirements, essential travel, and testing, visit <https://novascotia.ca/coronavirus/symptoms-and-testing/#self-isolate>.

4

In the last 14 days, have you had close contact (within 2 metres / 6 feet) with someone confirmed to have COVID-19?

If yes, you are required to self-isolate. If you haven't spoken with Public Health or been tested, you should complete the online assessment at <https://covid-self-assessment.novascotia.ca/> or contact 811.

5

Have you tested positive for COVID-19?

If yes, you are required to self-isolate. Please follow instructions given by Public Health.
