ASPOTOGAN HERITAGE TRUST SUBSIDY PROGRAM

Through the Years receives a grant of up to \$10 000.00 a year from the Aspotogan Heritage Trust for the purpose of helping families manage the cost of child care. A number of factors are taken into account when subsidy is awarded, not just financial status of a family, so we invite any families to apply. Social need and family dynamics are an example of two other factors that the committee looks at when awarding subsidy to a child. The application is a simple three-page questionnaire that asks some financial information but also gives families an opportunity to describe how having their child at Through the Years benefits not only the child but the whole family. All information given on the application is kept in the strictest confidence. The next six-month subsidy period starts April 1st, 2020. Those wishing an application, see ME. Those currently receiving AHT subsidy **YOU MUST REAPPLY**. See ME for your original application to update. Applications due no later than Tues., March 24, 2020.

FEW REMINDERS:

- Parents please do not give out the four digit security code to the front door to your children.
- Parents are reminded to please call, email or Facebook message if your child is going to absent, and the reason for the absence.
- I will be away March 9-13th on holiday, so if you have questions or concerns please see Director designates Chrissy Tanner or Karen Robinson. Please see Carol only for child care fees related questions.

Until next time, Mary Ellen
