

MAY 2019

PARENT NEWSLETTER

STAFF UPDATES

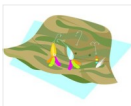

Educator Amy L. remains off due to medical reasons for the month of May as well. Please join me in wishing Amy continued healing as she is anxious to return to her Evergreeners. Riley D. will continue on with us indefinitely for the summer months.

TIDBITS

1. Parents of preschoolers, and school age children please send in a labeled reusable water bottle for your child to use here each day at Day Care if they do not have one here already.
2. **NOTE-** As is stated in our Parent Handbook parents are charged a sunscreen fee once a year. Please look for that on your June bill. Every child **MUST** use our sunscreen unless they are allergic, in which case we require a note from the doctor stating this.
3. **IMPORTANT DATES-** The 16 preschool graduates will graduate on Saturday, June 22nd here in a big celebration followed by a family picnic and bouncy castle fun. Mike from Hometown Portraits will be here Thursday, May 9th at 9am to take grad photos of the darlings.
4. School Age parents please remember to call or email if your child is not coming after school, some are forgetting lately. We then have to track your child down by either calling the school or bus or bothering you at your work or home. Also water bottles and hats are a must now as the children are playing hard and are getting hot and thirsty. We have a supply of hats here for them to borrow, but as you know the risk of spreading a communicable disease like head lice is increased when hats are shared.
