STAFF UPDATES

Preschool Evergreen Educator Cassie Amaya finished up here time with us last week. We wish her well in her next endeavor. And thank her for giving our preschoolers a wonderful introduction to forest education. Educator Riley Diepenveen began his three month parental leave on April 26 with the birth of his son Banks. Madison Hogue has been hired in his place in the preschool room. We are still looking for a grade 12 or university student to fill our summer career skills development grant position if you know of anyone..

TIDBITS

1. **NOTE**- As is stated in our Parent Handbook parents are charged a sunscreen fee once a year. Please look for that on your June bill. Every child **MUST** use our sunscreen unless they are allergic, in which case we require a note from the doctor stating this. Our sunscreen is a high quality Paba and scent free natural product with a SPF of 50.
2. **IMPORTANT DATES**- Don't forget our Through the Years Golf Classic on Saturday, June 26th at Aspotogan Ridge Golf Club. Hopefully all of our families have had the opportunity to pick up their donation letter out of the mail slot. We also encourage any parents or extended family who want to play in it to register with Doug at the Club at (902) 857-1333.
3. On Thursday and Friday, May 27th and 28th we will have the children's portfolios out for viewing. These are done for the Babies, Toddlers and Preschoolers. Hopefully you will be allowed back into the Centre for drop off and pick up and you can spend a few minutes looking through it and reading their most recent progress report.
